

A dark, atmospheric landscape with mountains under a sunset sky. The sky is a mix of dark blue and orange, with the sun setting behind the mountains. The mountains are dark and silhouetted against the sky. The overall mood is serene and contemplative.

We mend and renew the world by
strengthening inside ourselves what we seek
outside ourselves, and not by demanding it
of others or trying to force it on others.

Lewis Pyle Mercer

To Mend The World:

To Mend the World Emil L. Fackenheim, 1994-06-22 This subtle and nuanced study is clearly Fackenheim's most important book Paul Mendes Flohr magnificent in sweep and in execution of detail Franklin H Littell In *To Mend the World* Emil L. Fackenheim points the way to Judaism's renewal in a world and an age in which all of our notions about God, humanity and revelation have been severely challenged He tests the resources within Judaism for healing the breach between secularism and revelation after the Holocaust Spinoza, Rosenzweig, Hegel, Heidegger and Buber figure prominently in his account

'Tikkun Olam' --To Mend the World Jason Goroncy, 2013-12-04 *Tikkun Olam* *To Mend the World* is premised on the conviction that artists and theologians have things to learn from one another things about the complex interrelation of life and about a coherence of things given and sustained by God The ten essays compiled in this volume seek to attend to the lives, burdens and hopes that characterize human life in a world broken but unforgotten in travail but moving towards the freedom promised by a faithful Creator They reflect on whether the world wounded as it is by war by hatred by exploitation by neglect by reason and by human imagination itself can be healed Can there be repair And can art and theology tell the truth of the world's woundedness and still speak of its hope [Fackenheim's Jewish Philosophy](#)

Michael L. Morgan, 2013-01-01 Fackenheim's Jewish Philosophy explores the most important themes of Fackenheim's philosophical and religious thought and how these remained central if not always in immutable ways over his entire career
