

To Skin A Cat

Kathleen Armour

To Skin A Cat:

The Little Book of Clichés Alison Westwood, 2013 Many of the phrases we use everyday are so woven into our vocabulary that we never think to question their origin or meaning How often we comfort the broken hearted with the reassurance that there are plenty more fish in the sea or ruin a surprise by letting the cat out of the bag We don't really mean our friend should consider dating a fish nor do we keep cats in bags but we use these phrases regardless Did you know that telling someone to get off their high horse comes from the 13th century Or that hair of the dog wasn't originally a hangover cure but a belief that applying a dog hair to a dog bite would cure the wound In the times of Roman Baths getting the wrong end of the stick didn't translate as a simple misunderstanding it actually referred to a communal toilet where a stick was used to pass a cloth from person to person unfortunately some would often receive the wrong end

A Dictionary of Confusable Phrases Yuri Dolgoplov, 2016-02-01 Covering over 10 000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings this dictionary presents a unique cross section of the English language Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases the book can also be used as a regular phraseological dictionary providing definitions to individual idioms clichés and set expressions Most phrases included in the dictionary are in active current use making information about their meanings and usage essential to language learners at all levels of proficiency

Thinking the Unthinkable Charles C. Lemert, 2015-12-03 In the eloquent style for which he has become famous Charles Lemert writes of social theory as no one else Thinking the Unthinkable is offered as text for instruction yet it defies the prevailing assumption that social theory is a method for clarifying the facts of social life Lemert shows how social theory began late in the 19th century as a struggle to come to terms with the failure of modern reason to solve the social problems created by the capitalist world system Since then social theory has developed through twists and turns to think and rethink this Unthinkable Hence the surprising innovations of recent years postmodern queer postcolonial third wave feminist risk theories among others arising in the wake of globalization Once again Lemert has made the difficult clear in a book that students and other readers will treasure and keep

The Cat's Out of the Bag Max Cryer, 2015-02-01 We cannot get enough of cats from ancient times they have occupied a special place in many different cultures around the world They have also generated a fascinating array of words expressions and observations as well as poems books movies cartoons and artworks In this witty and entertaining book Max Cryer celebrates cats and all they have given to us He describes the many words and expressions they have inspired from catnip and catwalk to the cat's whiskers and raining cats and dogs as well as famous cat characters like Garfield Felix the Cat The Cat in the Hat and Puss in Boots songs as varied as What's New Pussycat and The Cats Duet and poems like The Owl and the Pussycat and Hey Diddle Diddle The cats owned by famous celebrities are described from Elizabeth Taylor's Jeepers Creepers to Dr Johnson's Hodge In other chapters he explores cats attributes the strength of their

night vision and sense of smell their sleep requirements life expectancy and much more Surprising facts and spurious fictions can be found on almost every page Everything you ever wanted to know about cats can be enjoyed in this magnificent compendium of a book It is a delight from beginning to end to be read with one on your lap

Why Girls Can't Throw

Mitchell Symons,2021-01-07 For some time now I've wanted to write a book which would answer the sort of questions that you don't even find asked elsewhere let alone answered Obviously in the interests of eclecticism I've also included some of the more mundane workaday questions what you might call the curriculum for a book of this type but even here I have at least tried to bring a fresher less reverent approach to bear Still there's no disguising the fact that it's the more esoteric questions that really grabbed my interest and these are inevitably the ones to which I have devoted the most energy That's because I really do need to know why the word bastard is only ever used as a term of abuse to men whether it's dangerous to suppress a fart you can actually lose weight by eating celery whether it's possible to knock yourself out using just your own fist why men don't use electrolysis to remove their beards what would happen to aeroplane passengers if someone opened the emergency exit while it was in the air and why of course girls can't throw

Oxford Dictionary of Proverbs

Jennifer Speake,2015-09-24 This unique and authoritative dictionary contains over 1 100 of the most widely used proverbs in English utilizing the latest research from the Oxford Languages team to source them This edition has been thoroughly revised and updated broadening the cultural range of the proverbs selected and covering sayings of international origins With a strong emphasis on concisely explaining the meaning of the proverbs described the dictionary also provides additional examples of usage and includes a fascinating history for many entries Arranged in A-Z order and with a useful thematic index A

A Dictionary of American Proverbs

Wolfgang Mieder,1992 Americans have a gift for coining proverbs A picture is worth a thousand words was not as you might imagine the product of ancient Chinese wisdom it was actually minted by advertising executive Fred Barnard in a 1921 advertisement for Printer's Ink magazine After all Americans are first and foremost a practical people and proverbs can be loosely defined as pithy statements that are generally accepted as true and useful The next logical step would be to gather all of this wisdom together for a truly American celebration of shrewd advice A Dictionary of American Proverbs is the first major collection of proverbs in the English language based on oral sources rather than written ones Listed alphabetically according to their most significant key word it features over 15 000 entries including uniquely American proverbs that have never before been recorded as well as thousands of traditional proverbs that have found their way into American speech from classical biblical British continental European and American literature Based on the fieldwork conducted over thirty years by the American Dialect Society this volume is complete with historical references to the earliest written sources and supplies

variants and recorded geographical distribution after each proverb Many surprised await the reader in this vast treasure trove of wit and wisdom Collected here are nuggets of popular wisdom on all aspects of American life weather agriculture travel money business food neighbors friends manners government politics law health education religion music song and dance And to further enhance browsing pleasure the editors have provided a detailed guide to the use of the work While it s true that many of our best known proverbs have been supplied by the ever present Anonymous many more can be attributed to some very famous Americans like Ernest Hemingway Abraham Lincoln Benjamin Franklin Mark Twain J Pierpont Morgan Thomas Alva Edison Abigail Adams and Ralph Waldo Emerson to name but a few offered in this fascinating collection Who wouldn t want to know the origin of the opera ain t over till the fat lady sings This uniquely American proverb and many more are gathered together in *A Dictionary of American Proverbs* A great resource for students and scholars of literature psychology folklore linguistics anthropology and cultural history this endlessly intriguing volume is also a delightful companion for anyone with an interest in American culture
