To The End:

Get to the End Michael Hickey, 2016-03-07 Get to the End is written about the end times i e the end of the world and history as we know it But it is written from a Catholic perspective There are many books on the market that speak to the end times however they are all written from a Protestant perspective and for the most part they are written by Christians from conservative churches who are generally Fundamentalist Christians There are virtually no books written about the end times from a Catholic perspective The few that have been written with a Catholic perspective of the end times have been written for the most part by Catholic priests and they are generally weighed down heavily in doctrine and dogma This will be one of the first on the subject written by a Catholic layman who has a broader perspective than Catholic Doctrine and Dogma and who views himself as uniquely in the world but not of the world *The Adventure to the End of the World* Theo Ravenscroft, 2025-01-26 The Adventure to the End of the World follows four brave and curious children Sam Eli Eve and Angel on an epic journey across oceans through enchanted forests and over towering mountains to the edge of the world Guided by an ancient legend they encounter whimsical creatures face ridiculous challenges and uncover secrets about the world and themselves As their adventure unfolds they discover that the true end of the world is not a place but a journey of self discovery teaching them the importance of embracing the unknown and seeking knowledge This fun comical and heartfelt tale is a celebration of friendship courage and wonder
