God's Work-in-Progress Writing with the Scars Christine A. Vassell-Morgan, 2010-03 This book a compilation of poems written for the purpose of capturing and relating the story of an everyday soul A soul whose life journey experienced witnessed and envisioned the struggles and unexpected unfoldings of God These incidents and events are as real as the air we breathe Some of the depictions may be terrifying They were equally terrifying and eventually humbling for this soul The book offers solace and escape as it shares anguish and happiness miracles and bewilderment God used these trials to fashion the free spirited soul of a child into a strong empathetic and prudent woman The details captured in each stanza reveal the faithfulness of the Lord When the woman inside plunged into the deep abyss of life and groped in the parched desert she discovered her only source of escape from life's harshness and drudge was found in God's mercy The underlying stories may cause you to cry laugh agonize and sympathize They will share God's Glory experienced by a soul who was belittled rejected ridiculed battered and torn However like items at a garage sale this once tattered soul was repurchased and is now being

used by God anew Christine you have made Jesus so proud of you his light is shining through your eyes and you set a perfect example of the way he would like for us all to live our lives I am thankful he has brought in my pathway you are an inspiration to me and I m sure others Thank you for sharing your diary with us I know that it was not easy but Jesus is going to use it for his good as well as keep you inspired to write more GOD BLESS YOU and YOURS Barbara Ferguson **Electronics**
