War Diary

Paul Kendall

War Diary:

The Halder War Diary, 1939-1942 Franz Halder, 1988 The war diary of General Franz Halder the German Army Chief of Staff Halder kept careful daily notes of his activities **MY WAR DIARY** Mary Alsop King Mme Waddington, D. 19, 2016-08-26 **My War Diary** Mme. Mary Alsop King Waddington, 1917 *War Diary of an American Woman to the Proclamation of the Holy War, 1914* Jouett Jeffries, 1915 War Diary of an American Woman to the Proclamation of the Holy War 1914 by Jouett Jeffries first published in 1915 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it **Arnhem** William F. Buckingham, 2019-03-15 Explore this gripping day by day combat narrative of the infamous battle for a bridgehead over the Rhine War Diary (1862-5) of Brevet Brigadier General Joseph Stockton, First Lieutenant, Captain, Major and Lieutenant-colonel, 72d Regiment, Illinois Infantry Volunteers (First Board of Trade Regiment). Joseph Stockton, 1910 **My War Diary** Mary King Waddington, 2012-12 The Great War in France a lady's intimate view Mary King Waddington was born in New York City She married a French statesman William Henry Waddington his parents were naturalised citizens of France and he went on to become prime minister of his country Mary was a prolific diarist and her account of her experiences as the wife of a diplomat ran to several volumes and were well regarded and quite popular at the time At the outbreak of the First World War Mary was living in Paris Hers was the war the civilians knew and her diary gives the reader interesting insights into the domestic life of the French nation during the conflict As Helen Prince writes in the introduction to this book one fact is gossip two related facts are history So we read of the two grandsons who discover a German skull how lawns were given over to growing potatoes we experience railway station goodbyes and many other poignant events and scenes which will vividly bring this time of tragedy back to life Once again the reader will discover the indomitable spirit that many women displayed in times of adversity whilst caring for children the poor the dispossessed attending to the wounded and other charitable acts Leonaur editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands Somme 1916 Paul Kendall, 2015-11-30 Much controversy has surrounded the Somme offensive relating to its justification and its impact upon the course of the war General Sir Douglas Haig's policies have been the subject of considerable debate about whether the heavy losses sustained were worth the small gains that were achieved which appeared to have little strategic value rnrnThat was certainly the case on many sectors on 1 July 1916 where British soldiers were unable to cross No Man's Land and failed to reach or penetrate into the German trenches In other sectors however breaches were made in

the German lines culminating in the capture that day of Leipzig Redoubt Mametz and Montauban

This book aims to highlight the failures and successes on that day and for the first time evaluate those factors that caused some divisions to succeed in capturing their objectives whilst others failed An important new study this book is certain to answer these questions as well as challenging the many myths and misconceptions surrounding the battle that have been propagated for the last 100 years

El Alamein 1942 Richard Doherty, 2018-08-30 The Battle of El Alamein is well established as a pivotal moment of the Second World War Following the wildly fluctuating fortunes of the opposing sides there was a real risk that Rommels Afrika Korps and his Italian allies would break through and seize Cairo with catastrophic strategic and political implications for the Allies That this never happened is of course well known but as this highly readable yet authoritative work reveals there were moments of extreme peril and anxiety Churchills bold nay desperate decisions concerning key appointments Montgomerys stubborn refusal to be rushed Rommels chronic logistic problems and critical air superiority are all examined in expert detail The authors description of the actual fighting is brought to life by personal accounts as well as his complete grasp of the plan and tactics involved The result seventy five years on is a delightfully fresh and fascinating account of one of the iconic battles not just of the War but in military history

Under the Devil's Eye Alan Wakefield, Simon Moody, 2011-07-12 A fantastic overview of one of Britain s untold stories from the Great War the Salonika Campaign that pitted Allied forces against the Bulgarians Burton Mail The authors have researched the Salonika Campaign in every detail from the arrival of the first British troops in 1915 to final victory During this period large numbers of British and Allied troops were tied up in the strategically vital Balkans Salonika was converted into a vast military base and over 70 miles of defensive works were created We learn of the disappointments of the British XII Corps offensive in April May 1917 The First Battle of Doiran and the more successful aggressive raiding in the Struma Valley Using firsthand accounts a vivid picture of life in the British Army is painted with the roles of the Royal Flying Corps RAF and RNAS well covered The campaign drew to a victorious conclusion with the defeat of the Bulgarians in 1918 but the British Salonika Army remained in place until 1921 The effect of this slow demobilization is also covered This impressive work demonstrates vividly that the Allied involvement in this region was anything other than a sideshow This would be a superb book to add to any Great War collection Great War Magazine The authors have addressed one of the great omissions by historians covering WWI This is a well researched study of a subject that has received far less than its deserved attention The photo plate section is well selected and maps in the body of the book help in the understanding of this unfamiliar part of WWI Very Highly Recommended Firetrench

British Armoured Divisions and Their Commanders, 1939-1945 Richard Doherty, 2013-07-16 A total of eleven British armoured divisions were formed during the 1939 1945 war but as this highly informative book reveals just eight saw action In 1940 only 1st Armoured Division faced the German blitzkrieg and it was in the North African desert that armoured divisions came into their own The terrain was ideal and six such divisions of Eighth

Army fought Rommel's Panzers into submission. Three were disbanded prior to the invasion of Sicily and Italy. The campaign from D Day onwards saw the Guards Armoured, 7th Armoured, the Desert Rats, 11th and Percy Hobart's 79th Armoured Division in the thick of the action. Of particular interest are the men who commanded these elite formations and the way their characters contributed to the outcome of operations. While some such as Dick McCreery went onto greater heights, others did not make the grade; the stakes were high. A number such as Pip Roberts were just perfectly suited in the role. Written by a leading military historian, this book describes many fascinating aspects of armoured warfare from its uncertain beginnings through the development of tactics and the evolving tank design. Due to British deficiencies, reliance had to be placed on US Grants and Shermans, with the Comet coming late and the Centurion too late. The combination of gripping historical narrative and well-researched fact makes this an invaluable and highly readable work on the contribution of British Armoured Divisions to victory in the Second World War.

Winning and Losing on the Western Front Jonathan Boff, 2012-07-05

The Hundred Days campaign of 1918 remains a neglected aspect of the First World War. Why was the German army defeated on the Western Front? Did its morale collapse, or was it beaten by the improved military effectiveness of a British army which had climbed a painful learning curve towards modern combined arms warfare? This revealing insight into the crucial final months of the First World War uses state-of-the-art methodology to present a rounded case study of the ability of both armies to adapt to the changing realities they faced. Jonathan Boff draws on both British and German archival sources, some of them previously unseen, to examine how representative armies fought during the Hundred Days campaign. Assessing how far the application of modern warfare underpinned the British army's part in the Allied victory, the book highlights the complexity of modern warfare and the role of organisational behaviour within it.

The British Imperial Army in the Middle East James E. Kitchen, 2014-01-16

The First World War has often been understood in terms of the combat experiences of soldiers on the Western Front; those combatants who served in the other theatres of the war have been neglected. Using personal testimonies, official documentation and detailed research from a diverse range of archives, *The British Imperial Army in the Middle East* explores the combat experiences of these soldiers. The army that fought the Ottoman Empire was a multinational and multi-ethnic force, drawing personnel from across Britain's empire, including Australia, New Zealand and India. By taking a transnational and imperial perspective on the First World War, this book ensures that the campaigns in Egypt and Palestine are considered in the wider context of an empire mobilised to fight a total and global war.

For Duty and Destiny Lloyd A. Hunter, 2013-10-15

William Taylor Stott was a native Hoosier and an 1861 graduate of Franklin College, who later became the president who took the college from virtual bankruptcy in 1872 to its place as a leading liberal arts institution in Indiana. The story of Franklin College is the story of W. T. Stott, yet his influence was not confined to the school's parameters. Stott was an inspirational and intellectual force in the Indiana Baptist community and a foremost champion of small denominational colleges and of higher education in general. He also fought in the Eighteenth Indiana Volunteer Infantry during the Civil War.

rising from private to captain by 1863 Stott's diary reveals a soldier who was also a scholar **War Diary, 1938-1945** I W

While this might not be the War Diary full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of War Diary eBooks, including some popular titles.

FAQs About War Diary Books

What is a War Diary PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a War Diary PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word,

or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a War Diary PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a War Diary PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a War Diary PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
