resonance goes well beyond the peerless filmmaking of director Arthur Penn producer star Warren Beatty and their talented team of collaborators Bonnie and Clyde taps into a dark wellspring in the American psyche Produced in a time of great social upheaval with a country divided under a deeply polarizing president the film addresses troubling questions about our country's founding myth and its obsession with firearms questions that remain part of our national debate They Kill People is the story of the making of Bonnie and Clyde It is the story of the outlaws whose real lives were anything but glamorous Most of all it is the story of how violence and a predilection for firearms became a fundamental part of American identity Star Peter Biskind,2010-05-13 In this compulsively readable and constantly surprising book Peter Biskind the author of the film classics Easy Riders Raging Bulls and Down and Dirty Pictures writes the most intimate revealing and balanced biography ever of Hollywood legend Warren Beatty Famously a playboy Beatty has also been one of the most ambitious and successful stars in Hollywood Several Beatty films have passed the test of time from Bonnie and Clyde to Shampoo Heaven Can Wait Reds for which he won the best director Oscar Bugsy and Bulworth Few filmgoers realize that along with Orson Welles Beatty is the only person ever nominated for four Academy Awards for a single film and unlike Welles Beatty did it twice Biskind shows how Beatty used star power commercial success savvy and charm to bend Hollywood moguls to his will Beatty's private life has been the subject of gossip for decades and Star confirms his status as Hollywood's leading man in the bedroom describing his affairs with Joan Collins Natalie Wood Leslie Caron and Madonna among many others Biskind explains how Beatty exercised unique control often hiring screenwriters out of his own pocket producing directing and acting in his own films He was arguably one of the most successful and creative figures in Hollywood during the second half of the twentieth century and in this fascinating biography Warren Beatty comes to life complete with excesses and achievements as never before **Warren Beatty and Desert Eyes** David Thomson,1988 Thomson offers readers two books in one a biography of Hollywood's best loved bad boy and in alternating chapters a futuristic novella centering on a Beatty like character A tour de force exploration of all the mythologies Beatty embodies 42 photos **Star** Peter Biskind,2010-01-12 In this compulsively readable and constantly surprising book Peter Biskind the author of the film classics Easy Riders Raging Bulls and Down and Dirty Pictures writes the most intimate revealing and balanced biography ever of Hollywood legend Warren Beatty Famously a playboy Beatty has also been one of the most ambitious and successful stars in Hollywood Several Beatty films have passed the test of time from Bonnie and Clyde which confirmed for him the importance of controlling the projects he was involved in to Shampoo Heaven Can Wait Reds for which he won the best director Oscar Bugsy and Bulworth Few filmgoers realize that along with Orson Welles Beatty is the only person ever nominated for four Academy Awards for a single film and unlike Welles Beatty did it twice with Heaven Can Wait and Reds Biskind shows how Beatty used star power commercial success savvy and charm to bend Hollywood moguls to his will establishing an unprecedented level of independence while still working within the studio system Beatty's private life has been the subject of gossip for decades and

Star confirms his status as Hollywood's leading man in the bedroom describing his affairs with Joan Collins Natalie Wood Leslie Caron Julie Christie Michelle Phillips Diane Keaton and Madonna among many others Throughout his career Beatty has demonstrated a fascination for politics He was influential in the 1984 and 1988 presidential campaigns of Gary Hart It was said of Hart and Beatty that each wanted to be the other and Biskind shows that there was considerable truth in that wry observation As recently as a few years ago Beatty was speaking out about California politics and contemplating a run for governor Biskind explains how Beatty exercised unique control often hiring screenwriters out of his own pocket and frequently collaborating with them producing directing and acting in his own films becoming an auteur before anyone in Hollywood knew what the word meant He was arguably one of the most successful and creative figures in Hollywood during the second half of the twentieth century and in this fascinating biography Warren Beatty comes to life complete with excesses and achievements as never before
