Warren Pease:

Warren Pease Matthew Ives, 2001-04-24 Warren Pease is a comic novel about a twenty something graduate student in history who also plays guitar in a bad rock and roll band The book is full of hijinx and swear words but has no sex scenes to speak of There is lots of drinking several scenes involving cross dressing and more cussing If you think your parents would object to the bad language do not ask them to buy you this book I mention this mainly for the benefit of my students who may be tempted to purchase their teacher s book I don t want to be accused like Socrates of corrupting the youth **New Hampshire Political Library's Collection of R.
