Young Hemingway:

The Young Hemingway Michael Reynolds, 1998-06-17 A National Book Award Finalist The Young Hemingway will entertain and surprise It should rank as one of the best nonfiction books of the year Los Angeles Times Michael Reynolds recreates the milieu that forged one of America's greatest and most influential writers He reveals the fraught foundations of Hemingway's persona his father's self-destructive battle with depression and his mother's fierce independence and spiritualism He brings Hemingway through World War I where he was frustrated by being too far away from the action and glory despite his being wounded and nursed to health by Agnes Von Kurowsky the older woman with whom he fell terribly in love [Ernest Hemingway](#) Philip Young, 2010-11-01 **Ernest Hemingway** Philip Young, 1964 **The Young Hemingway** Michael S. Art of Revision John Beall,2024-05-01 In Hemingway s Art of Revision John Beall analyzes more than a dozen pieces of the author s celebrated short fiction with a focus on manuscripts and typescripts as part of a broader examination of how Ernest Hemingway crafted his distinctive prose through a rigorous process of revision Ranging from two vignettes in the first version of In Our Time through early touchstones such as Indian Camp and The Killers to later masterpieces including Fathers and Sons Beall s study considers the modernist influences aesthetic choices and experimental effects that characterized Hemingway s approach to the short story Revisions to Big Two Hearted River for example were not simply cuts and omissions but involved adding paragraphs to slow down the narrative and represent Nick Adams s careful observations of fish as he watched their shadows on the river For A Way You ll Never Be Hemingway s revisions developed Nick s interior monologues manic lecture about grasshoppers and wacky sense of humor to show the character restoring a sense of emotional balance despite his traumatic memories of being wounded By drawing attention to the meticulous omissions additions and replacements that shaped these texts Beall reveals how extensively and richly Hemingway revised his drafts Hemingway s Art of Revision gives a detailed view of a great prose stylist at work *Hemingway's Quarrel with Androgyny*

Mark Spilka,1990-01-01 Hemingway s Quarrel with Androgyny confronts the entrenched mystique surrounding the hard drinker bullfighter and creator of characters steeled by their own code Spilka stresses Hemingway s lifelong dependence on and secret identification with women and in doing so shatters the myths of male bonding and heroic lives of men without women He develops the biographical literary and cultural implications of Hemingway s lifelong quarrel with androgyny to reveal a more psychologically complex man and writer than the mystique has allowed *Hemingway's Faith* Mary Claire Kendall,2024-12-17 Little is known about Ernest Hemingway s religious faith Drawing on archival research and interviews with Hemingway s family biographer Mary Claire Kendall paints a portrait that reveals the real Hemingway and the deep motivations inspirations and connections to the Catholic tradition that left an indelible imprint on his life and writing

Ernest Hemingway by Philip Young Philip Young,1966 **Genesis of the White Family** ,1920 **Form and Function of Paris Representation in Hemingway's A Moveable Feast** Olga Nikitina,2007-12 Seminar paper from the year 2007 in the subject American Studies Literature grade 1 3 University of Bonn language English abstract A Moveable Feast deals with the years 1921 to 1926 spent by Hemingway as a young man at the beginning of his literary carrier in Paris He started to write it in 1958 and it actually remained unfinished when he committed suicide in 1961 Taking into account the fact that at that time Hemingway had already written all his best books that in 1953 he was awarded The Pulitzer Prize and in 1954 the Nobel Prize for Literature one could suppose that the book was written by a successful and confident author who looked back at his young years with a gentle smile sort of how it all started probably not without nostalgia But if one takes a closer look at Hemingway s biography one finds out that the Paris book was being written by the the rapidly ageing Ernest Svoboda p 159 in the midst of health problems and family pressure probably foreseeing the end of his literary career

suffering from continuous depressions and paranoia Add to all this repercussions of the two plane crashes which he survived and the loss of the mother Pauline Hemingway and his close friend and editor Charles Scribner and you will be able to imagine probably quite remotely what Hemingway s state of mind really was while he was writing the book in question What could be the message of the book written under such circumstances at the top of the literary career and facing the gap of despair Was it an attempt to explain to himself what he had done wrong with his life to calculate what had been lost and what had been gained during Paris years or to prove that in spite of increasing difficulties with writing he is still a great writer Was he trying to show what had made him the kind of writer he was and as he desperately hoped still kept him on the top or was he simply recollecting the old happy times in order to forget the present frustration A *The Young Hemingway* Ernest Hemingway,1985 **This Quarter** ,1967 The Smart Set ,1916 **Trial of Hon.
