## Sleeping Warrior:

**Return of the Sleeping Warriors** Petra M Costa,2017-06-16 It is a world where magic once ruled Where mystical beasts and power hungry magic wielders fought for control The balance ever shifting between order and anarchy It is our world and the struggle is all but forgotten Old legends whisper of the battles once fought folklore gives hints of the dangers that still exist but it all happened such a very long time ago And you cannot believe every old fairytale you read can you Michael has been dealing with a lot lately A creepy family moving in next door A relaxing family holiday where a strange discovery leaves him anxious and unnerved And now he s having recurrent nightmares Nightmares shared by his sister Dana With an ancient evil starting to unlock its powers Michael must accept his family s legacy and come to terms with their emerging abilities before their quiet Melbournian street is turned into a warzone

**Restless in Sleep Country** Paul Huebener,2024-04-15 Sleep and the lack of it is a public obsession and an enormous everyday quandary Troubled sleep tends to be seen as an individual problem and personal responsibility to be fixed by better habits and tracking gadgets but the reality is more complicated Sleep is a site of politics culture and power In Restless in Sleep Country Paul Huebener pulls back the covers on cultural representations of sleep to show how they are entangled with issues of colonialism homelessness consumer culture technology and privacy the exploitation of labour and the effects of the Covid 19 pandemic Even though it almost entirely evades direct experience sleep is the subject of a variety of potent narratives each of which can serve to clarify and shape its role in our lives In Canada cultural visions of slumber circulate through such diverse forms as mattress commercials billboards comic books memoirs experimental poetry and bedtime story phone apps By guiding us through this imaginative landscape Huebener shows us how to develop a critical literacy of sleep Lying down and closing our eyes is an act that carries surprisingly high stakes going beyond individual sleep troubles Restless in Sleep Country illuminates the idea of sleep as a crucial site of inequity struggle and gratification

fragments of poetry preserved in early Icelandic literature will now be disputed by none but there has been until recent times an extraordinary indifference to the wealth of religious tradition and mythical lore which they contain The long neglect of these precious records of our heathen ancestors is not the fault of the material in which all that survives of their religious beliefs is enshrined for it may safely be asserted that the Edda is as rich in the essentials of national romance and race imagination rugged though it be as the more graceful and idyllic mythology of the South Neither is it due to anything weak in the conception of the deities themselves for although they may not rise to great spiritual heights foremost students of Icelandic literature agree that they stand out rude and massive as the Scandinavian mountains They exhibit a spirit of victory superior to brute force superior to mere matter a spirit that fights and overcomes Even were some part of the matter of their myths taken from others yet the Norsemen have given their gods a noble upright great spirit and placed them upon a high level that is all their own In fact these old Norse songs have a truth in them an inward perennial truth and greatness
