event announcements and business cards bookmarks and hat bands all with patterns to copy and sassy commentary from the irrepressible Ruby Red Hat **THE RED HAT SOCIETY** Sue Ellen Cooper,2008-11-16 Covering marriage children grandparents careers retirement and more this is the official book of The Red Hat Society a craze that is sweeping the nation Two color text illustrations throughout **Red Hat Enterprise Linux Administration Unleashed** Tammy Fox,2007-04-20 This comprehensive guide can help you administer Red Hat Enterprise Linux 5 effectively in any production environment no matter how complex or challenging Long time Red Hat insider Tammy Fox brings together today s best practices for the entire system lifecycle from planning and deployment through maintenance and troubleshooting Fox shows how to maximize your efficiency and effectiveness by automating day to day maintenance through scripting deploying security updates via Red Hat Network implementing central identity management services and providing shared data with NFS and Samba Red Hat Enterprise Linux 5 Administration Unleashed contains extensive coverage of network and web services from the Apache HTTP server and Sendmail email services to remote login with OpenSSH Fox also describes Red Hat s most valuable tools for monitoring and optimization and presents thorough coverage of security including a detailed introduction to Security Enhanced Linux SELinux *The Red Hat* John Bayley,2025-06-25 If Oscar Wilde were alive and well and writing in the 1990s The Red Hat by renowned critic John Bayley is precisely the kind of playful coyly erotic work of fiction he would have written Set in Holland and in Provence the first part of this elegant literary jaunt follows a trio of young Vermeer aficionados as they set forth for the Hague to see a Vermeer exhibition What begins as a simple journey turns quickly into a cheerfully tortuous race against time when the group unwittingly and mistakenly becomes enmeshed in an international terrorist ring The second part of the novel is narrated by Roland a young man who has read the first narrator s account of the fiascos in the Hague Setting off incognito refusing to believe the account true Roland searches for the original narrator whom he expects to find living a lonely existence in a world of make believe As he conducts his search and the two parts begin to play off one another The Red Hat slips between reality and fantasy exploring the complex metaphysics of personality and art Told by two separate narrators the first of whom has an obscured gender The Red Hat continues to twist and confound the reader who thinks he or she knows what will happen next As our expectations are repeatedly built up and subsequently uprooted an exquisitely delicious tension gathers strength until it too is overturned by new developments Constantly turning voraciously upon itself this delightful romp refuses to be pinned down Indeed in the deft hands of a skilled novelist like John Bayley nothing is what it seems to be a book that masquerades as a noir mystery turns out to be a Moliere like comedy of errors a woman who is kidnapped turns out to be the wrong victim the horny elevator man who runs the lift in the charming pension becomes a insatiable lover who may in fact be a Mossad agent and the narrator whose identity is revealed in the second half becomes a slave cheerful in bondage refusing to return to England Nothing ever turns out as it was supposed to be but all is well we are reassured in this dashing fictional debut by one of the senior men of letters The Red Hat David
