Preventing War and Promoting Peace William H. Wiist, Shelley K. White, 2017-12-14 Preventing War and Promoting Peace A Guide for Health Professionals is an interdisciplinary study of how pervasive militarism creates a propensity for war through the influence of academia economic policy the defense industry and the news media Comprising contributions by academics and practitioners from the fields of public health medicine nursing law sociology psychology political science and peace and conflict studies as well as representatives from organizations active in war prevention the book emphasizes the underlying preventable causes of war particularly militarism and focuses on the methods health professionals can use to prevent war Preventing War and Promoting Peace provides hard hitting facts about the devastating health effects of war and a broad perspective on war and health presenting a new paradigm for the proactive engagement of health professions in the prevention of war and the promotion of peace To Prevent Profiteering in War. Hearings Before a Subcommittee of the Committee on Military Affairs, United States Senate, Seventy-fourth Congress, First Session, on H. R. 5529, an Act to Prevent Profiteering in Time of War and to Equalize the Burdens of War and Thus Provide for the National Defense, and Promote Peace. May 25 and 31, 1935 ... United States. Congress. Senate. Committee on Military Affairs, 1935 *War and Conflict Quotations* Michael C. Thomsett, Jean Freestone Thomsett, 2015-09-02 History is replete with pronouncements on war Some reflect on man s warlike nature We are quick to flare up we races of men on the earth Homer others deal with the practical strategies of the combatants If Hitler invaded hell I would make at least a favorable reference to the devil in the House of Commons Winston Churchill and still others offer advice for avoiding conflict The most disadvantageous peace is better than the most just war Desiderius Erasmus More than 2 700 quotations on war and conflict are presented in this reference work The quotations are arranged by more than 100 broad categories from action to winning For each the quotation is first given followed by its author the work in which it appeared when appropriate and the date The book includes numerous cross references and keyword in context and author indexes are provided for further utility A Way to Prevent War (Classic Reprint) Allan Louis Benson, 2017-09-17 Excerpt from A Way to Prevent War If the people were in favor of war the way to end war would be to convert the people to peace This book is devoted to the task of showing that since the people are opposed to war the logical way to end it is to take the power to declare war from minorities who misuse it and vest it in the people who may be depended upon not to use it at all Public sentiment in favor of peace can be of little practical value so long as a minority in each nation control the war making machinery About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish
