**Sentiments and Reflections of a Black Man** Clint B.

Walker, 2011-05-26 This book of poems were written in the attempt to get Gods message out I had a heavenly encounter with God and was taken out of body mind or spirit I can not really tell which but I know it was for the purpose of uniting all people for the common good Some of these poems deals with secular life and some are written from a more spiritual venue but as Jesus use parables to explain the good and bad of our actions so have I been instructed to do as well When we dabble in things that has no profit only destruction then there is an equal reaction to all actions These words are the inspired works of God and will truly bless all that read them They will offer inspiration courage guidance and wisdom If the reader keeps an open mind and let the Holy spirit talk to their subconscious Gods words do not go away into the void but they accomplish what they are sent out to accomplish This book will have a universal appeal to all its readers and will give all readers a greater insight into the mind of the author whom happens to be a black man but more important a child of God Its purpose is to unite all races to come together as one people There is no difference between the Jew and Greek bond nor free for whosoever calls on the name of the Lord will be saved I profess we all are whosoever whether red yellow black brown or white we are all precious in Gods sight Read these poems with an open mind and a receptive heart and I guarantee you will be truly blessed by reading them as I was blessed by writing them May God bless all of his children with good health happiness and prosperity is my hearts desire and prayer
