Buckley,2020-01-13 This book is likened to a department store elevator wherein you are the operator Twenty three floors on which to stop to browse and you with all the time in the world Wherever shall you begin The beginning is always a good place to begin Our beginning concerns a gullible youth s first encounter with religious idiocy Perhaps you re more in the mood to find out how a chicken or chickens can bring about far reaching affirmations Consider a brief stopover for some truth in advertising The class of 68 fraught with its political assassinations demonstrations and opportunism may amuse you Or maybe the continuing adventures of a sperm donor Just a few floors up is procrastination justified at long last Something for everyone from burning pictures to the freedom of the road for the less inhibited there s even an adult fairy tale The door slides open again finds you face to face with Louise May and Memphis Minnie Did those two ever really meet Eventually as you race toward the clouds you may discover the connection between dolphins and world peace Have a safe ride though do be wary the emergency stop button not unlike your neighborhood s posted speed limit is for amusement only
