Something Old Can:

Biblical Creation Stories Mark G. Boyer, 2025-07-31 The Bible has multiple creation accounts Most people know or have heard of the one which took six days but they are not familiar with the rest Biblical creation stories are plural because they are hypothetical inventions by various biblical authors The simple fact of the matter is that there was no one present when creation occurred Thus with no firsthand experience various biblical authors each with his own biases and politics wrote one Biblical creation stories are about the act of God creating and the product of that creation While it is not exhaustive this book explores the many biblical creation stories and invites readers to use them to nourish their spirituality Spirituality is the experience of the human spirit connecting to the divine Spirit or vice versa Through reading the plurality of biblical texts about creation through reflections on creation accounts through praying a part of a psalm through meditating on a question designed to lead the reader into deeper reflection based on one's personal life and through journaling to record insights a reader can nourish his or her spirituality Insights can be gained that strengthen the Spirit spirit connection

Productivity For Dummies Ciara Conlon, 2015-12-15 Take your productivity to the next level and make the most of your time Do you have too much to do and not enough time to do it Don't we all *Productivity For Dummies* shows you how to overcome this common problem by tackling key issues that are preventing you from remaining focused and making the most of your time This insightful text gets to the root of the problem and shows you how to identify and analyse the items on your to do list to deliver on deadlines and maximise your schedule Numerous techniques and technologies have been developed to address productivity needs and this resource shows you which will work for your situation Productivity is crucial to your success whether you want to find a new job earn a promotion you've had your eye on or generally progress in your career understanding how to improve your productivity is essential in increasing the value you bring to your organisation At the very least increased productivity means that you get things done faster which translates into fewer overtime hours and more time concentrating on the things that are most important to you Eliminate procrastination and laziness from your daily routine Organise your work environment to create a space conducive to productivity Increase your concentration and stay focused on the task at hand Make decisions quickly and stay cool calm and collected no matter what the situation is *Productivity For Dummies* helps you solve the age old problem of having too much to do and not enough time to do it
