The Virtues of the Table Julian Baggini, 2014-01-02 How we eat farm and shop for food is not only a matter of taste Our choices regarding what we eat involve every essential aspect of our human nature the animal the sensuous the social the cultural the creative the emotional and the intellectual Thinking seriously about food requires us to consider our relationship to nature to our fellow animals to each other and to ourselves So can thinking about food teach us about being virtuous and can what we eat help us to decide how to live From the author of *The Ego Trick* and *The Pig that Wants to be Eaten* comes a thought provoking exploration of our values and vices What can fasting teach us about autonomy Should we like Kant dare to know cheese Should we take media advice on salt with a pinch of salt And can food be more virtuous more inherently good than art

**The Censor's Notebook** Liliana Corobca, 2022-11-08 A fascinating narrative of life in communist Romania and a thought provoking meditation on the nature of literature and censorship Winner of the 2023 Oxford Weidenfeld Translation Prize *A Censor's Notebook* is a window into the intimate workings of censorship under communism steeped in mystery and secrets and lies confirming the power of literature to capture personal and political truths The novel begins with a seemingly non fiction frame story an exchange of letters between the author and Emilia Codrescu the female chief of the Secret Documents Office in Romania's feared State Directorate of Media and Printing the

government branch responsible for censorship Codrescu had been responsible for the burning and shredding of the censors notebooks and the state secrets in them but prior to fleeing the country in 1974 she had stolen one of these notebooks Now forty years later she makes the notebook available to Liliana the character of the author for the newly instituted Museum of Communism The work of a censor a job about which it is forbidden to talk is revealed in this notebook which discloses the structures of this mysterious institution and describes how these professional readers and ideological error hunters are burdened with hundreds of manuscripts strict deadlines and threatening penalties The censors lose their identity and are often frazzled by neuroses and other illnesses McClure's Magazine ,1920 Vegas Brews Michael Ian Borer,2019-10-22 An inside look at how craft beer makers and IPA devotees come together to brew taste and enjoy fine ale while also building a sense of community in Las Vegas Equally reviled and revered as Sin City Las Vegas is both exceptional and emblematic of contemporary American cultural practices and tastes Michael Ian Borer takes us inside the burgeoning Las Vegas craft beer scene to witness how its adherents use beer to create and foster not just a local culture but a locals culture Through compelling detailed first hand accounts and interviews Vegas Brews provides an unprecedented look into the ways that brewers distributors bartenders and drinkers fight against the perceived and preconceived norm about what happens in Vegas and lay claim to a part of their city that is too often overshadowed by the bright lights of tourist sites Borer shows how our interactions with the things we care about and the ways that we care about how they re made treated and consumed can lead to new senses of belonging and connections with and to others and the places where we live In a world where people and things move around at an extraordinary pace the folks Borer spent time talking and drinking with remind us to slow down and learn how to taste the good life or at least a semblance of it even in a city where style is often valued over substance The Blind Vampire Hunter Tim Forder,2014-01-10 Jack Poisner is legally blind growing up in a world not yet familiar with the concept of legal blindness he learns how to fight to survive his peers the education system and more Eventually happily married with a family of his own and living well with his visual disadvantages life throws him an overripe pumpkin when he wakes up one morning and discovers he is suddenly totally blind Although adjusting to his new life of visual darkness a new and much greater darkness enters his life a boarder A vampire that only he can see has come to live within the safety of his home in easy reach of his family and himself A vampire hunter is born The Blind Vampire Hunter The Principles of Thermodynamics with Special Applications to Hot-air, Gas and Steam Engines Robert Röntgen,1896 **Gospel Herald** ,1915 **Monthly Bulletin** New York (N.Y.).
