*Forever Begins with Us* Maria Gonzales, 2025-11-16 *Forever Begins with Us* is a captivating anthology that delves into the myriad facets of enduring love and the profound journey of finding one's forever. This collection of interwoven tales explores the intricate dance of relationships across diverse landscapes from fantastical realms with mythical creatures and ancient prophecies to futuristic settings where time itself can be manipulated and even contemporary worlds where love blossoms amidst everyday challenges. Each chapter introduces a unique interpretation of the central protagonist Elara alongside various partners showcasing how love defies expectations, overcomes adversity, and transforms individuals. Readers will embark on adventures with Elara and Prince Caius as they brave treacherous mountains in search of a legendary gem, witness the quiet organic growth of love between Elara and Liam amidst a sprawling garden, and journey through time and space with Elara and Orion as they build a connection that transcends realities. The stories celebrate the beauty of shared experiences, mutual understanding, and the unwavering commitment that truly defines a lasting bond. From quiet acts of defiance against a monochrome world to grand gestures that reshape destinies, the book masterfully illustrates that forever is not a fixed destination but a continuous, evolving creation, a masterpiece painted together stroke by deliberate stroke. [The Fault in Forever](#) Claudia Burgoa, 2024-12-30 USA Today bestselling author Claudia Burgoa brings you an angst-filled emotional second chance romance packed with heartache, longing, and an impossible love triangle. I fell in love with a boy who became my everything. Keane Stone was my first love. I thought I'd grow old with him. We had a future filled with promises until one fateful night. One tragic accident, and just like that, he slipped into a coma. For years, I clung to hope, holding on to every "what if." But life doesn't stand still. Eventually, I had to learn how to live again. Grief clung to me like a second skin when Haydn Wesford came into my life. He's a professional hockey goalie with a natural instinct to protect. He showed up just when I needed someone the most. Loving Haydn was like taking my first real breath in years. He made me laugh when I thought I'd forgotten how and made me believe in second chances. Just as Haydn and I were about to build a life of our own, everything came crashing down. Keane woke up. I can't abandon him. Haydn, being the man he is, agrees to help bring Keane home and get him back on his feet. But as days turn into weeks, feelings I thought were buried begin to stir. I remember the promises Keane and I made for the future we dreamed up together. Now I'm standing at a crossroads, caught between the man who is my past and the one who would be my future. I'm torn in two. Two hearts. Two futures. And only one choice. How do you let go of your first love when he's standing right in front of you? How do you choose the man you need without breaking the heart of the one you can't seem to let go of? *The Fault in Forever* is that sometimes love isn't enough. And now I have to decide who I am and who I can't live without before I lose them both. **The Forever Summer** Jamie Brenner, 2017-04-25 When a DNA test reveals long-buried secrets, three generations of women reunite on Cape Cod for the homecoming of a lifetime. Marin Bishop has always played by the rules, and it's paid off. At twenty-eight, she has a handsome fiancé, a prestigious Manhattan legal

career and the hard won admiration of her father But one moment of weakness leaves Marin unemployed and alone all in a single day Then a woman claiming to be Marin s half sister shows up and it s all Marin can do not to break down completely Seeking escape Marin agrees to a road trip to meet the grandmother she never knew she had As the summer unfolds at her grandmother s quaint beachside B B it becomes clear that the truth of her half sister is just the beginning of revelations that will change Marin s life forever *The Forever Summer* is a delicious page turner and a provocative exploration of what happens when our notions of love truth and family are put to the ultimate test Full of delicious descriptions of coastal New England and richly imagined characters *The Forever Summer* is an emotional hot topic page turner and a summer must read
