See Through the Complicated Neema Komba,2011-02-19 See through the complicated is a collection of poems that represent a journey towards hope Life comes with a lot of ups and downs and situations that are sometimes too complicated to comprehend Sometimes because of the many downs we may fail to see the ups To sail through the hardships we need to believe that it will be alright we may need to be told that it will be alright We may need to be told that we can do better than wait and that someone understands and cares that they have been through it before that we are not alone Sometimes we need only to look past ourselves see someone else's life and appreciate our own In See through the complicated you get to see through my world and situations I know of I do not hold back for through writing this I found my hope And as the author my hope is that you relate to one or two poems and somewhere within this you find hope
