Hidden History of the Dark Corner Mr. Drew Hines,2024-03-18 The Dark in the Dark Corner Years ago when travelers to northern Greenville County asked a local where the Dark Corner was invariably their reply was Just a little further up the road In those days few people wanted to admit they lived in that much storied and much maligned part of the county known as the Dark Corner The Dark Corner in those days was legendary for its moonshine murder and mayhem This is the story of that well known region We travel back to the Dark Corner s earliest days when its only human inhabitants were the Cherokee and we move into the present where horse farms and multi million dollar homes dot the countryside that once contained moonshine stills and cornfields      Court of Appeals of the State of New York: The People of the State of New York Against Herman W.
