The King Behind the King Warwick Deeping,1914 Fulk of the Forest had taken the way towards Witch s Cross with the
full moon shining like a silver buckler behind him to find himself standing at gaze among the yews of the Black Gill Straight
before him stretched a black aisle pillared and arched with huge yews The aisle ended like the choir of a church in a great
woodland window where the full moon hung one yellow rim touching a flurry of clouds Fulk had drawn aside against the
trunk of a tree lean alert shadowy conscious of something stirring away yonder in the glooms As he stood there watching and
straining his ears in the windless silence of the April night he saw a figure move suddenly into the opening of this woodland
window and remain there outlined against the moon The figure was wrapped in a loose cloak and the peak and jagged edge
of a hood showed up sharply Moreover a curved black line beside it betrayed the line of a strung bow Hebrew Union
