Song Of Stars Signed:

Triumphing at the Gates of Stars in Their Seasons Dr. Steve Ogan, 2012-08-23 The twelve constellations that influence the twelve calendar months are prophetic pictures planted by God in the heavens to tell the story of redemption Triumphing at the Gate of the Stars in their Seasons is a prophetic guide on how to wage and win wars with the twelve constellations based on the Jewish and Gregorian calendars It is an indispensable manual for setting agenda for individuals institutions and nations This book will help us to correctly interpret what the stars associated with the twelve months are saying The contemporary sons of Isaacar can now better understand the times and know what the nations ought to do They can now more specifically appreciate what the heavens are preaching in the day and teaching in the night based on the revelation of Psalm 19 14 The heavens declare the glory of God and the firmament sheweth his handiwork Day unto day uttereth speech and night unto night sheweth knowledge There is no speech nor language where their voice is not heard Their line is gone out through all the earth and their words to the end of the world In them hath he set a tabernacle for the sun Popular Mechanics Magazine ,1924 **Exhibitors Daily Review** ,1929 **The song of Hiawatha, ed. with intr. and notes by P.T.
