STEPHEN KING

The book cover features a dark, textured background. A central vertical column of golden, ornate towers with spires is the focal point. A large, detailed red rose is positioned in the lower half of this column. The background is filled with white line-art silhouettes of various cityscapes, including recognizable skyscrapers like the Twin Towers. Scattered throughout the lower half are several orange and yellow circular motifs, some containing abstract patterns. The overall aesthetic is a blend of gothic architecture and modern urban imagery.
