Peale,1985 A study that traces the biblical story from beginning to end by showing how the spiritual life of the biblical Christian develops through what the author calls moments in spiritual history which have parallels in the process of one s personal maturity      Transformational Discipleship Eric Geiger,Michael Kelley,Philip Nation,2012-06-01 A Christian s desire to grow in faith is beautiful and biblical best illustrated in Jeremiah 17 where Scripture describes The man who trusts in the LORD as being like a tree planted by water It will not worry in a year of drought or cease producing fruit But how do people really grow Transformational Discipleship describes the process that brings to life that kind of person described in the Bible There s no magic formula or mantra to recite here but rather a substantive measure of research with churches and individuals who have wholeheartedly answered the call of Jesus to make disciples A compilation of their wisdom and stories it surely guides church leaders and members to practice the intentional efforts needed to foster an entire culture in which people grow in Christian faith And they will grow not because of human research but by the power of the Word and of the Holy Spirit working through the church the same way disciples have always been made When the people of God engage in the mission of God through the Spirit of God lives are transformed      **Zion's Herald** ,1906      **The Sunday Magazine** ,1875
