## **Transport To Destiny:**

**DESTINY'S JOURNEY** Olu Gans,2015-12-18 Desy was part Organic part Genetic She had been created in a lab and looked nothing like her family She hated the fact that she looked different from her brothers She grew up listening to her brothers tell a family legend that had been handed down through many generations The legend promised that someday a brilliant orb of light would appear And on that day a mystical transformation would take place A selected ancestor of days long forgotten would find a special person and together they would travel to a place beyond tomorrow Now Desy s world was about to come to an end It had been abused for too many generations and there was no longer any hope for a future As Desy sat and cried under a scraggly tree she unknowingly wrapped her fingers around a shiny stone fragment Suddenly her world spun and disappeared leaving her swirling inside a purple mist When she stopped spinning she found herself just beyond tomorrow

**Destiny's Heir** Y. M. Roger,2013-10-29 Chicalia Prime a planet whose population is divided between the Light and the Dark designations denoting physical attributes and nothing else It is a small and insignificant planet with a plethora of political problems However the intricate aftermath to the climax of those problems has spent the last fifty neras or so weaving itself into the fabric of the over arching authority the Galactic Fleet and the purviews thereof And while it is becoming increasingly evident that there are other forces working against the Fleet yet simultaneous to those intricacies it is clear that the offspring of Chicalia s political problems and those loyal to them and their causes will completely re shape the government of the Fleet transferring the Fleet s seat of power from Galactica Triune to the soon to be not so insignificant Chicalia Prime One of those intricacies Captain Shanteela Ka Lantrel or Kaylen to her close friends in command of the Fleet s crown jewel Destiny knows nothing of the Royal blood that runs through her veins But Kaylen s destiny along with those under her command have become entwined with that of another the exiled OverLord Assassin Thetuderal Thetu Shaliagn and his many brothers in arms So as life still continues back on Chicalia Prime it seems the future of the Fleet and therefore the galaxy is being prophetically and passionately unlocked with Thetu and Kaylen at its epi center Out of the ashes of a flawed foundation and damaged framework Sha Hylira shall raise an invincible government that will proclaim His name to the far corners of the universe
