## Traveling Through Space:

*Traveling Through Space* John G Lowry, 2005-07 THE PROPOSAL One afternoon she came to his door I admire you she said I like your driving your shoulders You smile sparingly and only work for money You cut wood and like animals Listen she said marry me this afternoon We ll have lunch in the best restaurant and honeymoon in an apartment with a garden We ll have sex then and only then You ll have all the money you want Do what you please but when I call you must come Take three minutes to decide He said yes and they were happy for many years A young man wants to walk around the world and shake hands with everyone a strange woman comes to a man s door and proposes marriage a doctor buys a television places it in his driveway and lets it rot to pieces These are some of the compelling scenarios in *Traveling Through Space* a collection of stories that explore the peculiarities of life in contemporary America People are like space travelers locked in their inner worlds yet seeking contact with other people navigating the same uncertain territory As these unique characters bump into and off of one another the results are sometimes funny sometimes sad but oddly memorable
