**Daniela Niemeyer**

## **Wake Me At Midnight:**

**Wake Me at Midnight** Barthe DeClements, 1991 Caitlin's problems include the responsibility for her baby brother, nasty neighbors, and the fact that the boy next door is acting strangely. **The Muse Only Wakes After Midnight** Tony Martin, 2007-04 The Muse Only Wakes After Midnight A Collection of Stories Written While You Slept contains six short stories compiled over the last five years. They come at you from all directions from the tale of a fleeing survivor of the World Trade Center attack to the life of a young man who left his home to accompany Jesus and his disciples during their trek into history in Jerusalem. In between there is the story of a first car and another about a first job as a real cowboy in West Texas. There is one about the JFK assassination in Dallas and a humorous look at a young Connecticut scientist's experience living in an East Texas town. The title of the collection comes from the author's habit of retiring early, sleeping until the early morning hours, and rising at one or two o'clock to write and complete research while others sleep. Most distractions are absent at that hour, particularly the telephone. **Grave Vengeance** Lori Sjoberg, 2015-01-19 Handsome and haunted he's a reaper who prefers to work alone. But Fate has other plans for him and the sassy secret agent who shot him in another life if their pasts don't catch up with them. First, Dmitri Stavitsky has never played well with others; a Soviet KGB spy in life turned reaper after death, his work of bringing souls to the other side is best done alone. But orders from the top soon place him alongside fellow reaper Gwen Peterson, the American counterintelligence agent who took his life so many years ago. Now, as a ghost from Gwen's past resurfaces with the power to steal reapers' souls, the two have no choice but to set aside their differences and apprehend the rogue together. But their cross-country mission soon ignites feelings. Dmitri thought he was no longer capable of for the woman who helped destroy him. With an ancient force and a small army against them, he'll have to let go of old grudges or risk his future with Gwen as Fate hangs dangerously in the balance.
