Wakers Tragedy:

Waker's Tragedy Solarn Shadow, 2004-02 The apocalypse has passed and it wasn't so bad Energy has manifested to physicality the mind has taken second to the workings of the heart and the world is genuinely happy But when death itself becomes inconsequential humanity turns to bloodshed delving into the aesthetics and glory of battle Amongst the ranks come the Wakers the prophets of the end times who prevented self destruction in unity of all people through art music and the subcultures Rend the white swordsman with a five foot blade and lavender eyes searches for meaning in a world without consequence recalling how the days came to pass with those who cross his path And on this path he will find a place called The Valley to protect single handedly from ten thousand soldiers a pinball playing lawyer turned general and the unluckiest boy to ever live And amidst the constant battle somewhere music plays *Waking to Wonder* Gordon C.F.
