Some Things Never Change:

Some Things Never Change Ola Ekechukwu, 2013-03-14 Each story focuses on the main characters internal struggle to balance out personal principles with societal expectations consistent with the realities of living in present day Nigeria In *The Echoes of Twilight* Bukola the daughter of Nigerian immigrants flees the UK to Nigeria after losing her beloved father in suspicious circumstances and suffering untold abuse in the hands of her stepfather Her fatherland however offers no lasting comfort *Some Things Never Change* tells the story of Jude Bellema a young medical doctor whose manipulative girlfriend coerces him to go against the ethics of his profession He ultimately loses everything *Petals in the Rain* centers around the emotional abuse which a young girl forced into marriage suffers in the hands of her ruthless husband The fourth story *The Lagos Onlooker* delves into the culture shock experienced by a boy on his first visit to Lagos It explores the seeming dearth of a societys conscience as it pertains to good and evil The criteria for judging a womans success in present day Nigeria is the focus of the fourth story *Before the Cock Crows* In this story the main characters enviable success in her career fails to provide the much needed fulfillment in the face of her mothers displeasure at her unmarried status The last story in this collection *The Lizard has Grown Hairs* tells the story of a parents struggle to save their daughter from a seemingly unknown illness It explores the relationship between African superstitious beliefs as compared to Western ideologies *Some Things Never Change (paperback)* Darcy Smyth, 2016-12-23 A successful grandfather and his entrepreneurial grandson discuss what it takes to thrive in the first two years of business Maybe you needed to hear this at the start of your journey to confirm you re on the right track by doing something different to what all the rest are doing Maybe this message has come as a timely reminder for you to touch base with the fact that doing something different with your life was worth it despite the challenges and difficulties it throws up along the way Or maybe this message is tough for you to swallow as you re getting close to waking up one day to realise there s no time left and your best days are behind you If that s the case I only hope you made the most of those days and are able to treasure the memories you created whilst you had the chance Darcy J Smyth is the lead trainer and creator of *The Tonal Persuasion Method* and is widely known in the training and mentoring space
