Investigation of Illegal Or Improper Activities in Connection with the 1996 Federal Election Campaign United States. Congress. Senate. Committee on Governmental Affairs,1998 *Partiality* Simon Keller,2013-05-21 We are partial to people with whom we share special relationships if someone is your child parent or friend you wouldn't treat them as you would a stranger But is partiality justified and if so why Partiality presents a theory of the reasons supporting special treatment within special relationships and explores the vexing problem of how we might reconcile the moral value of these relationships with competing claims of impartial morality Simon Keller explains that in order to understand why we give special treatment to our family and friends we need to understand how people come to matter in their own rights Keller first presents two main accounts of partiality the projects view on which reasons of partiality arise from the place that people take within our lives and our commitments and the relationships view on which relationships themselves contain fundamental value or reason giving force Keller then argues that neither view is satisfactory because neither captures the experience of acting well within special relationships Instead Keller defends the individuals view on which reasons of partiality arise from the value of the individuals with whom our relationships are shared He defends this view by saying that we must accept that two people whether friend or stranger can have the same value even as their value makes different demands upon people with whom they share different relationships Keller explores the implications of this claim within a wider understanding of morality and our relationships with groups institutions and countries **Llewellyn's 2025 Sun Sign Book** Llewellyn,Claire Comstock-Gay,2024-07-08 2025 Is Your Year to Shine An astrological favorite for more than forty years Llewellyn's Sun Sign Book provides detailed horoscopes and forecasts for every sign Professional astrologer Claire Comstock Gay helps you find exciting opportunities in your future no matter your skill level Newly redesigned this year's edition will help you improve many aspects of your life For each Sun sign you'll discover detailed information on Strengths and Gifts Work and Money Friendship and Love Struggles and Growth This almanac also provides a look at the year ahead month by month for each sign You'll explore Overall Forecasts 2025 Eclipses and Retrogrades Your Ruling Planet New and Full Moons Power Days Days to Watch For Also featuring an astrological primer by Kim Rogers Gallagher this guide will set you up for a happy prosperous year **Hearings Held Before the Special Committee on the Investigation of the American Sugar Refining Co. and Others ...** United States.
