**Jimmy's Faith** Christopher Hunt, 2024-12-03 QSpirit Top 24 LGBTQ Christian Books of 2024 A novel approach to understanding the work of James Baldwin and its transformative potential The relationship of James Baldwin s life and work to Black religion is in many ways complex and confounding What is he doing through his literary deployment of religious language and symbols Despite Baldwin s disavowal of Christianity in his youth he continued to engage the symbols and theology of Christianity in works such as The Amen Corner Just Above My Head and others With Jimmy s Faith author Christopher W Hunt shows how Baldwin s usage of those religious symbols both shifted their meaning and served as a way for him to build his own religious and spiritual vision Engaging Jos Esteban Mu oz s theory of disidentification as a queer practice of imagination and survival Hunt demonstrates the ways in which James Baldwin disidentifies with and queers Black Christian language and theology

throughout his literary corpus Baldwin's vision is one in which queer sexuality signifies the depth of love's transforming possibilities the arts serve as the religious medium of knitting Black community together an agnostic and affective mysticism undermines Christian theological discourse androgyny troubles the gender binary and the Black child signifies the hope for a world made new In disidentifying with Christian symbols Jimmy's Faith reveals how Baldwin imagines both religion and the world otherwise offering a model of how we might do the same for our own communities and ourselves

**Redeeming Laughter** Peter L. Berger, 2014-10-14 Amid the variety of human experiences the comic occupies a distinctive place It is simultaneously ubiquitous relative and fragile In this book Peter L. Berger reflects on the nature of the comic and its relationship to other human experiences Berger contends that the comic is an integral aspect of human life yet one that must be approached and analyzed circumspectly and circuitously Beginning with an exploration of the anatomy of the comic Berger addresses humor in philosophy physiology psychology and the social sciences before turning to a discussion of different types of comedy and finally suggesting a theology of the comic in terms of its relationship to folly redemption and transcendence Along the way the reader is treated to a variety of jokes on a variety of topics with particular emphasis on humor and its relationship to religion Originally published in 1997 the second edition includes a new preface reflecting on Berger's work in the intervening years particularly on the relationship between humor and modernity

[America's Most Hated Woman](#) Ann Rowe Seaman, 2005-03-18 Why did Life Magazine dub her the most hated woman in America Did she unravel the moral fiber of America or defend the Constitution They found her heaped in a shallow grave sawed up and burned Thus ended Madalyn Murray O'Hair the articulate atheist bitch whose 1963 U.S. Supreme Court case ended school prayer Her Christian baiting lawsuits spanned three more decades she was on TV all over the country foul mouthed witty and passionate launching today's culture wars over same sex marriage and faith based initiatives She was a man hater who loved sex a bully whose heart broke for the downtrodden She was accused of schizophrenia alcoholism and embezzlement but never cowardice or sloth She was an ideologue who spewed toxic rage even at the followers who made her a millionaire She was a doting mother who accosted people to ask them to be sexual partners

for her lonely children and whose cannibalistic love led her children to their grave She thrived on her fame but just as the curtain of obscurity began to lower the family vanished in one of the strangest of America s true crimes This is the real story of the most hated woman in America by the only author to interview the killer and those close to him and to witness the family s secret burial in Austin Texas From the First Chapter The sky was gray and drizzling but it had stopped at the funeral home by quarter to nine Billy Murray hadn t spoken to his three family members for more than twenty years but he wanted to give them a decent burial Bill was an ordained minister but he didn t pray over the charred sawed up remains Baptists don t pray for the dead he said They either accept Christ before they died or they didn t He had his mother cremated in accordance with her oft expressed wish Her urn sat at the head of the burial vault as was appropriate for she had ruled the other two with an iron hand She was Madalyn Murray O Hair 76 founder of American Atheists and the Most Hated Woman in America a sobriquet she relished The other two were his half brother Jon Garth Murray 40 and his daughter Robin Murray O Hair 30 It had taken five years to find them and bring them to the cemetery for the service which was kept secret from the public It was their second burial Jerry Carruth the prosecutor who had searched for the family for nearly four years had watched them being excavated from their shallow mass grave on a South Texas ranch some months before He was watching the shoveling looking for the hip replacement joint Madalyn had gotten in 1988 When they found that he d know he d found Madalyn There it was he said shining in the sun like a trailer hitch
