## **Son Of Grifter:**

*Son of a Grifter* Kent Walker, Mark Schone, 2009-10-13 A National Bestseller and Edgar Award nominee *Son of a Grifter* is Kent Walker's memoir about growing up with killer con artist Sante Kimes as a mother. Highly readable, truly horrific. Entertainment Weekly In 1988 a troubled young man and his flamboyant mother were arrested for murdering a wealthy widow in her New York City mansion. Suddenly America was transfixed by a pair of real life film noir characters. The media couldn't get enough of the twisted relationship between Sante Kimes and her twenty three year old son Kenny. But the most chilling story of all was never told until now. Kent Walker, Sante's elder son, reveals how he survived forty years of the Dragon Lady's very special brand of motherly love and still managed to get away. As a child, Kent watched his mother destroy his hardworking father Ed Walker and then with Kent's painful collusion, snare what Sante called my millionaire. When she married seemingly respectable real estate developer Ken Kimes, it was a match made in hell. For the next two decades, Kent's mother and stepfather indulged in a globetrotting orgy of criminal behavior. Kent, their would be recruit, was privy to the family business: torching houses, defrauding friends, crashing White House parties. When Kent's half brother Kenny was born, Kent was twelve years old, old enough to know that he was his younger sibling's only protector. Kent tried desperately to save Kenny from his mother's sinister bidding. His failure haunts him to this day. One of the most engrossing true crime accounts. Compelling Booklist Walker does a fine job of elucidating the psychological and emotional price of being loved and cared for by a sociopath. Publishers Weekly

**Son of a Grifter** Kent Walker, Mark Schone, 2001-04-24 In 1998 a troubled young man and his flamboyant mother were arrested for murdering a wealthy widow in her New York City mansion. Suddenly America was transfixed by a pair of real life film noir characters, an Oedipal team of scam artists who left a trail of blood, lies and larceny from coast to coast. The media couldn't get enough of the twisted relationship between Sante Kimes and her twenty three year old son Kenny. But the most chilling story of all was never told until now. Kent Walker, Sante's elder son, reveals how he survived forty years of the Dragon Lady's very special brand of motherly love and still managed to get away. As a child, Kent watched his mother destroy his hardworking father Ed Walker and then with Kent's painful collusion, snare what Sante called my millionaire. When she married seemingly respectable real estate developer Ken Kimes, it was a match made in hell. For the next two decades, Kent's mother and stepfather indulged in a globetrotting orgy of criminal behavior, laying waste to each other and anyone who got in the way. Kent, their would be recruit, was privy to the family business: torching houses, defrauding friends, crashing White House parties, shopping for trunkloads of fur coats and Sante's self serving style of adultery. When Kent's half brother Kenny was born, Kent was twelve years old, old enough to know that he was his younger sibling's only protector. Kent tried desperately to save Kenny from his mother's sinister bidding. His failure haunts him to this day. Here, with shocking and sometimes brutal frankness, Kent explodes the romantic Hollywood image of the grifter as antihero and exposes the truth about Sante Kimes behind the headlines. *Son of a Grifter* poignantly chronicles what it means
