Leadbeater,1909 **The Devachanic Plane** C W Leadbeater,2021-07-16 Leadbeaters treatment of Devachan is an expansive look at an interesting mystic concept taken from Theosophy and interpreted with slight variance in other systems The basic premise is that of a temporary situation between physical incarnations which is vaguely similar to the concept of a Christian heaven although heavily subjugated to a many layered sort of ascension away from the physical and mortal and into a sort of merging with spiritual forces adopted from Eastern systems such as Buddhism and Hinduism The list of entities in the various rupa and arupa regions is quite elaborate In some texts although not this one Devachan is also described as quasi purgatorial

The Devachanic Plane Or the Heaven World C. W. Leadbeater,2008-07-18 A Theosophical Classic outlining the characteristics of the Devachanic Plane or Heaven World with its various inhabitants Angels Devas Elementals and Animals and the qualities necessary for you to gain access to this miraculous realm

The Devachanic Plane C. W. Leadbeater,2017-08-02 Although in calling this plane the heaven world we distinctly intend to imply that it contains the reality which underlies all the best and most spiritual ideas of heaven which have been propounded in various religions yet it must by no means be considered from that point of view only It is a realm of nature which is of exceeding importance to us a vast and splendid world of vivid life in which we are living now as well as in the periods intervening between physical incarnations It is only our lack of development only the limitation imposed upon us by this robe of flesh that prevents us from fully realizing that all the glory of the highest heaven is about us here and now and that influences flowing from that world are ever playing upon us if we will only understand and receive them

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
