The Native Muse Richard Ruland,1976 **The Native Muse** Richard Ruland,1976 Celibacies Benjamin Kahan,2013-11-25 Arguing that celibacy is a distinct sexuality with its own practices and pleasures Benjamin Kahan shows it to be much more than the renunciation of sex or a cover for homosexuality **The Muse's Flight, and Other Serious Poems** Robert Richardson,1837 **Theocritus and his native Muse** Poulheria Kyriakou,2018-10-08 Hellenistic poets opted and were very likely expected to deal meaningfully and perhaps competitively with the tradition they inherited They also needed to secure the goodwill of actual or potential patrons Apollonius the author of a novel heroic epic eschews references to literary polemics and patronage Callimachus often adopts a polemical stance against some colleagues in order to suggest his poetic excellence Theocritus chooses a third way which has not been investigated adequately He avoids antagonism but ironizes the theme of poetic excellence and distances himself from the tradition of competitive success He does not cast his narrators as superior to predecessors and contemporaries but stresses the advantages and merits of colleagues This rejection of conceit is connected with a major strand in Theocritean poetry the power of word including song to provide assistance to characters in distress is a major open issue Language is versatile and potent but not all powerful Song gives pleasure but is not a panacea while instruction and advice are never helpful and may even prove harmful Most genuine pieces are ambiguous and open ended so that the aspirations of characters are not presented as doomed to failure

The Timid Leaper Gregg G. Brown,2002-06-25 Catastrophes and Trophies This collection is actually the combination and slight rearrangement of four separate volumes of verse almost all of these poems were written in the calendar year 2001 It s not much to show for a year of human life that rich mystery we are twisted into by such a resolute hand The main emphasis of this collection as I hope will be quite clear is Nature Nature and Naturalism are not quite the same thing however and I have always had my own disagreements with the various proponents of those who took too dogmatically Thoreau s painful premise Simplify simplify simplify The sub title is inner nature poems and that is to help show that the weather for humans is never merely a matter of what s over our heads it s what s in our hearts as well from the Introduction
