Solomon, 2015 Covers the PMBOK fifth edition and 2013 exam Cover **Project Management** Harold Kerzner, 1992 This widely acclaimed classic

reference has been completely revised and reorganized providing readers at all levels of experience with an authoritative up to date source that is easier than ever to see New to this edition are updates to all chapters Newly released Project Management Institute Body of Knowledge updates throughout **Project Management** Jack R. Meredith, Samuel J. Mantel, 2006 Jack Meredith offers readers an insight into human behaviour knowledge of organisational issues and quantitative methods needed to do project management He emphasises the challenges they will face including planning negotiating budgeting communicating and scheduling Professional Project Management John R. Adams, M. Dean Martin, 1987 Electronic Design, 1994 **Project Management Casebook** David I. Cleland, Karen M. Bursic, 1998 How do project team members get the knowledge skills and attitudes needed to perform effectively One proven method is through the case study approach The book offers 50 case studies that represent the breadth and importance of project management and its impact on the everyday management of projects Each of the cases provides new and unique challenges that have been mastered by the practice of project management Readers will be able to apply the knowledge learned from this casebook in their work The cases enable readers to see how and why projects are used in a wide variety of organizational settings in contemporary life Readers are exposed to both successful and not so successful project management practices The case study approach encourages reader participation and active learning and provides the opportunity to learn something of the real world of project management It is essential in the curricula of project management training for both undergraduate and graduate students as well as for continuing education consulting and in house company training programs The cases were chosen for their importance in discussing the fundamentals of project management Most contain descriptions of actual projects and each is followed by a series of questions to guide readers analysis of the article to maximize the learning process

Tutorial--software Engineering Project Management Richard H. Thayer, 1988 Reprints and five new papers present a top down view of the subject Covers software engineering and SE project management planning organizing staffing directing and controlling a SE project No index Annotation copyright Book News Inc Portland Or *Global Project Management Handbook: Planning, Organizing and Controlling International Projects, Second Edition : Planning, Organizing, and Controlling International Projects* David Cleland, Roland Gareis, 2006-05-25 Learn and apply successful international project management techniques Contributors from 20 nations reveal how current project management concepts and techniques can be successfully applied in different political cultural and geographical settings Learn how project management is carried out in major countries such as Canada China Russia Germany France England and how these techniques can be applied globally Case histories from around the world provide lessons on the international application of project management 16 completely new chapters including ones on the rebuilding of Iraq project management in outsourcing initiatives and developing multinational teams *PM Network*, 1997 *MacUser*, 1993-04 **Project Management** Clifford F. Gray, Erik W. Larson, 2008 As the market leading textbook on the subject Project Management The Managerial Process 4e is distinguished

by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied It focuses on how project management is integral to the organization as a whole The 4th edition reflects the latest changes found in the practice Other texts discuss the topics covered in this text but they do not view oversight as the project manager s operating environment as does Gray Larson

Project Management Handbook David I. Cleland,William Richard King,1988 **PC World** ,1997-10
