Nikitta: A Mother's Story - The Tragic True Story of My Daughter's Murder Marcia Grender,2016-02-10 On 5 February 2011 Marcia Grender received a phone call which changed her life forever The flat her beautiful nineteen year old daughter Nikitta shared with her fianc Ryan Mayes was on fire and Nikitta was believed to be trapped inside Marcia and her partner Paul Nikitta s father rushed to the scene but there was nothing they could do Firefighters had already discovered Nikitta s body in the wreckage of the home she d lovingly built with her childhood sweetheart To add to their agony Nikitta had been eight months pregnant The fully formed yet unborn baby girl she d already named Kelsey May was gone too But it soon became apparent Nikitta s death was far from an accident Within hours the investigation became a murder inquiry and Ryan s cousin Carl Whant was the prime suspect Whant had been openly infatuated with Nikitta and boasted that he thought of her every time he had sex As her world collapsed around her Marcia could only watch in horror Shortly after Whant was charged with murder child destruction rape and arson she began charting her feelings in a searingly honest diary the contents of which are published for the first time in this book Marcia painstakingly recalls the agony of holding her granddaughter for the first time in a police mortuary but being unable to see her dead daughter because of the shocking state in which Whant had left her She charts the pain of laying them both to rest knowing she will have to face their killer

every day in court when Whant's case comes to trial For the first time she opens up about her turbulent relationship with Ryan and the devastating revelations which almost cause her world to shatter for a second time But above all she speaks of the indescribable hell of learning to live without the most important thing in her life *A Daughter's Wish* Edward N. Kelley,2024-04-09 *A Daughter's Wish* has been written during this time of societal upheaval Decisions of life and death have been relegated to a determination of convenience or inconvenience More commonly known as a right to choose this political debate with its governing laws has historically been the subject of bitter discussions In an environment where God has basically been overlooked by human nature what is the foundation or rationale for deciding who lives or who dies The author is not asking for the reader to take a position on this controversial subject at least not until they have read this young couple's story As young high school students madly in love with each other they made the decision to engage in the weakness of the flesh The results of their self absorbed decision leads the young couple down a path that draws societal opinion family pressures and consequential life decisions both short term and long term They have been given a gift from God but suppose this gift was not planned or welcome This story highlights the consequences of a decision involving the life or death acceptance or rejection of a newborn creature that is under God's plan The story exhibits some fascinating ramifications when God examines the young couple's freewill decision while agreeing to meet the expectations of a daughter's wish
