Grossberg shows how this diversity is unified in a continuous striving for knowledge of God that has been at the heart of Judaism from its earliest beginnings

Plaks,2025-03-11 A reinterpretation of some of the great works of Chinese fiction of the late Ming dynasty In this book Andrew Plaks reinterprets the great texts of Chinese fiction known as the Four Masterworks of the Ming Novel ssu ta ch i shu Arguing that these are far more than collections of popular narratives Plaks shows that their fullest critical revisions represent a sophisticated new genre of Chinese prose fiction arising in the late Ming dynasty especially in the sixteenth century He then analyzes these radical transformations of prior source materials which reflect the values and intellectual concerns of the literati of the period

Transmitters and Creators John Makeham,2020-03-23 The Analects Lunyu is one of the most influential texts in human history As a putative record of Confucius s 551 479 B C E teachings and a foundational text in scriptural Confucianism this classic was instrumental in shaping intellectual traditions in China and East Asia until the early twentieth century But no premodern reader read only the text of the Analects itself Rather the Analects was embedded in a web of interpretation that mediated its meaning Modern interpreters of the Analects only rarely acknowledge this legacy of two thousand years of commentaries How well do we understand prominent or key commentaries from this tradition How often do we read such commentaries as we might read the text on which they comment Many commentaries do more than simply comment on a text Not only do they shape the reading of the text but passages of text serve as pretexts for the commentator to develop and expound his own body of thought This book attempts to redress our neglect of commentaries by analyzing four key works dating from the late second century to the mid nineteenth century a period substantially contemporaneous with the rise and decline of scriptural Confucianism the commentaries of He Yan ca 190 249 Huang Kan 488 545 Zhu Xi 1130 1200 and Liu Baonan 1791 1855 and Liu Gongmian 1821 1880
