Twilight Whispers:

Twilight Whispers Barbara Delinsky,1988 «Twilight's Whisper: Oliver's Dance with Destiny» M. argvlaini,2024-02-07 Of the heart and soul—a mellifluous whisper Piyali Mitra,2021-04-07 This anthology abounds in the feeling of love Love has always been the source of inspiration for the countless poems and thoughtful scribbling made by lovers and admirers but few poems are written analyzing the concept and how to feel to be in love This book speaks of how love can be the source of inspiration at the same time the source of abjection Rejection and dejection can push one to a corner while love can uplift and transcend a mind from one realm to another This garland of verses as the author would love to call is also a memory book remembering the various emotions her mother has been subjected to Some lines and verses of this book speak the loudest and most directly and others have reflection of vibrant imagery and artful characters Some lines have divine intonation while others draw heavily from mundane life The book has tried to capture the colors aroma and essences of water land mountains seasons and even leaves Every object of Nature has their own language This book has made an attempt to communicate that subtle language through verses The book contains some illustrations Hours of Fancy.
