Chasing My Rejected Mate Lenora D. Darlington,2025-10-04 Alpha Asher Kane died at sixty two with blood on his hands and a broken wolf in his chest After rejecting his fated mate Maya Sullivan on her eighteenth birthday he spent forty four years watching his pack crumble his wolf Hunter slowly fade and Maya build a beautiful life with another man until ancient enemies finally claimed them all His last sight was Maya's lifeless body and his final regret he'd destroyed the only person whose love could have saved everyone When Asher awakens in his twenty two year old body twelve hours before Maya's first shift he thinks the Moon Goddess has granted him mercy But this is his fourth attempt to rewrite their story and each failure has torn larger holes in reality itself Now with timeline fractures bleeding supernatural chaos into their world and only six

months before everything collapses Asher must not only win his mate he must solve the ancient curse his original rejection unleashed Maya Sullivan has always been different Born with the rare gift of pack empathy she can feel every wolf's emotions heal their spiritual wounds and sense lies like poison in her veins When she meets her fated mate and he accepts their bond with desperate intensity she should be overjoyed Instead something feels wrong Asher Kane looks at her like he's seeing a ghost loves her like he's already lost her and fights invisible demons she can't understand As Maya's abilities grow stronger she begins experiencing vivid dreams of lives she's never lived where she loved Asher completely where he rejected her brutally where they both died in each other's arms When the supernatural world starts unraveling around them Maya realizes these aren't dreams they're memories And the mate who claims to love her might be the reason reality itself is breaking With ancient enemies emerging from the timeline fractures pack alliances crumbling and six months to prevent an apocalypse Asher and Maya must navigate the most dangerous challenge of all learning to trust each other when one remembers everything and the other is just beginning to understand how many times she's died for love Some bonds are worth crossing time to protect Others are worth breaking time to save [The Fire Between Our Shadows](#) Nihal,2026-01-17 Some flames burn quietly Others consume everything in their path [The Fire Between Our Shadows](#) is an enthusiastic emotional journey about love secrets and the tension that exists in the spaces we dare not explore When two souls are drawn together by fate and circumstances their connection ignites a fire cannot ignore but shadows from the past threaten to snuff it out This story explores desire vulnerability and the courage it takes to face what's hidden in both hearts and memories Written with intensity and emotional depth [The Fire Between Our Shadows](#) is perfect for readers who love slow burning romance dramatic tension and stories that linger long after the last page [Echoes](#) E.
