Two Kinds Of Wonderful:

Our Wonderful Bible Dr. Jervois Firmin, 2013-08-23 The Beginning Of The Story The Bible therefore the Creator s word to us has to be our only true source of information concerning these things Now the first three chapters of the Bible deal with this beginning and lead us into the continuum in which we seem to find ourselves Thus when we read the Bible we ought really to be considering these chapters as though they were a preface rather like some T V dramas which set the scene before the titles appear If there is to be a break in the whole book then the end of that part is I believe where it ought to come Those three chapters tell us about the perfect world God made and Man s rejection of both it and God The rest of the book both Testaments tell us about God s rescue package by which he aims to regain not only Man but the whole of his creation

What a Wonderful World Marcus Chown, 2013-10-01 With wit colour and clarity What A Wonderful World quickly and painlessly brings us up to speed on how the world of the 21st century works From economics to physics and biology to philosophy Marcus Chown explains the complex forces that shape our universe Why do we breathe What is money How does the brain work Why did life invent sex Does time really exist How does capitalism work or not as the case may be Where do mountains come from How do computers work How did humans get to dominate the Earth Why is there something rather than nothing In What a Wonderful World Marcus Chown bestselling author of Quantum Theory Cannot Hurt You and the Solar System app uses his vast scientific knowledge and deep understanding of extremely complex processes to answer simple questions about the workings of our everyday lives Lucid witty and hugely entertaining it explains the basics of our essential existence stopping along the way to show us why the Atlantic is widening by a thumbs length each year how money permits trade to time travel why the crucial advantage humans had over Neanderthals was sewing and why we are all living in a giant hologram
