With Contemporary Piano A Performer and Composer s Guide to Techniques and Resources Alan Shockley provides a
comprehensive resource for composers writing music that uses extended techniques for the piano and for pianists interested
in playing repertoire that makes use of techniques and or implements unfamiliar to them Shockley explains dozens of ways to
prepare a piano without damaging the instrument how to notate every standard technique and many many obscure ones and
the specific geographies of every common concert hall piano This will be the standard reference for pianists touring and
playing inside the piano repertoire and for composers at all levels of familiarity with the piano hoping to understand the
mechanical miracle that is the modern piano [An Historical Suvey of Original Literature for Two Pianos and Critical
