Typology in Scripture Richard M. Davidson,1981-01-01 Biblical Typology James E. Smith, Ph.D.,2018-02-23 After two introductory chapters to the discipline of typology Dr Smith examines eight categories of Old Testament types **The Typology of Scripture; Or, The Doctrine of Types Investigated in Its Principles, and Applied to the Explanation of the Earlier Revelations of God, Considered as Preparatory Exhibitions of the Leading Truths of the Gospel** Patrick Fairbairn,1845 Typology in Scripture Richard M. Davidson,1981 Biblical Typology Vern S. Poythress,2024-03-12 How to Study the Old Testament for Signs of Christ Believers read Scripture to follow Christ and deepen their relationship with him But since a majority of the Bible was written before Jesus s life and death on the cross many people rely on the Old Testament for historical context and moral guidance alone However when studied in detail we see how even the Old Testament reveals Christ as the center of God s plan for redemption Biblical Typology examines how the Old Testament foreshadows Christ the church and the consummation through types or symbols pointing toward fulfillment Well known for his academic yet accessible writing Vern S Poythress not only provides examples of types and analogies found in God s word but also teaches readers a practical framework and diagram for effectively examining them throughout Scripture Readers will learn how to identify and interpret biblical typology for themselves as they deepen their understanding of the Bible and the wisdom of God Great for Bible Teachers Teaches pastors Bible study leaders and thoughtful lay people how to effectively study biblical typology in the Old Testament Practical How To Not only examines Scripture for examples of Christ in the Old Testament but teaches how readers can find types for themselves Uses Helpful Tools Introduces a practical framework and diagram to effectively interpret typology within the Old Testament Academic yet Accessible Written by scholar professor and author Vern S Poythress The Typology of Scripture Patrick Fairbairn,2013-02-08 Patrick Fairbairn 28 January 1805 6 August 1874 1 was a Scottish minister and theologian He joined the Free Church of Scotland after the Disruption of 1843 Fairbairn wrote The Typology of Scripture two years later James MacLehose called it one of the most important theological works of its day and suggested that it appeared at a time when Scotland was singularly barren in theological scholarship and gained for its author a great reputation not only in his own country but also in England and America The Typology of Scripture, Volume 2 Patrick Fairbairn,2017 There are few topics connected with Biblical interpretation which seem to be more in need of re investigation The old opinions have gone out of vogue without being replaced by any better or indeed by any other system so that the whole subject has been long in a most unsettled state This would be no great evil if typology were merely a matter of curious speculation but embracing as it does some of the most difficult and interesting questions of interpretation its perversion or neglect cannot fail to be attended by the most pernicious consequences Under these impressions which have long been forming in this book the difficulties of the subject are distinctly recognized and fairly appreciated The author is acquainted with the history of his subject He does not come to the discussion of it with a few ex

parte notions gathered from some recent writer He knows not only where the difficulty lies but what attempts have heretofore been made for its removal This is volume two out of two Indicators of Typology Within the Old Testament Friedbert Ninow,2001 Frankfurt M Berlin Bern Bruxelles New York Oxford Wien 7 tab 2 graf Friedensauer Schriftenreihe A Theologie Bd 4 Verantwortlicher Herausgeber Udo Worschech This study seeks to ascertain whether there are indicators of typology within the Old Testament Various elements that comprise biblical typology such as the historical aspect divine design prophetic aspect Steigerung intensification and eschatology are traced in a number of texts that deal with the Exodus motif Chapter 1 surveys the perception and use of typology throughout the centuries up to the present Chapter 2 seeks to establish the basic elements that are part of a biblical typology in passages that are directly linked to or describe the Exodus in the Pentateuch Chapter 3 seeks to trace these elements throughout the prophetic writings that deal with the Exodus motif This study concludes that there is indeed a type anti type relation that connects the Old with the New Testament which has various indicators already within the Old Testament Contents Approaches to Typology Indicators of Exodus Typology in the Pentateuch Exodus Typology and the Prophets **The Typology of Scripture** Patrick Fairbairn,1854 **Biblical Typology** Barry Chant,Gill Waddle,1996-12-01 While Chant does not cover each and every type of Bible Biblical Typology gives an excellent overview on the right and wrong way to gain knowledge from the viewpoint of biblical typology He develops a moderate yet scriptural position regarding scriptural types Biblical Studies **The Typology of Scripture, Or, the Doctrine of Types ...
