Ukrainian Musical Elements In Clabical Music:

Ukrainian Musical Elements in Classical Music I[?]A[?]kov L'vovich Soroker,1995-06-19 The first comprehensive account of the influence of Ukrainian motifs on the classical music of Europe

Historical Dictionary of Ukraine Ivan Katchanovski,Zenon E. Kohut,Bohdan Y. Nebesio,Myroslav Yurkevich,2013-07-11 Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand years to Kyivan Rus Over that time it has usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine

The Ukrainians Andrew Wilson,2022-11-08 As in many postcommunist states politics in Ukraine revolves around the issue of national identity Ukrainian nationalists see themselves as one of the world s oldest and most civilized peoples as older brothers to the younger Russian culture Yet Ukraine became independent only in 1991 and Ukrainians often feel like a minority in their own country where Russian is still the main language heard on the streets of the capital Kiev This book is a comprehensive guide to modern Ukraine and to the versions of its past propagated by both Russians and Ukrainians Andrew Wilson provides the most acute informed and up to date account available of the Ukrainians and their country Concentrating on the complex relation between Ukraine and Russia the book begins with the myth of common origin in the early medieval era then looks closely at the Ukrainian experience under the tsars and Soviets the experience of minorities in the country and the path to independence in 1991 Wilson also considers the history of Ukraine since 1991 and the continuing disputes over identity culture and religion He examines the economic collapse under the first president Leonid Kravchuk and the attempts at recovery under his successor Leonid Kuchma Wilson explores the conflicts in Ukrainian society between the country s Eurasian roots and its Western aspirations as well as the significance of the presidential election of November 1999

Journal of Ukrainian Studies ,1994 The Ukrainian Quarterly ,1999 The Ukrainian Review ,1996 *Harvard Ukrainian Studies* ,1999 *Journal of the American Musicological Society* American Musicological Society,1996 *Canadian Slavonic Papers* ,1997 **Canadian Journal for Traditional Music** ,1998

Slavic Review ,1996 American quarterly of Soviet and East European studies varies

The Soviet Proletarian Music Movement Neil Edmunds,2000 The question of how music and politics interact has always aroused passionate debate and it looms large in this study of the Soviet proletarian music movement The proletarian music movement was the driving force behind many of the developments in early Soviet musical life and its influence was felt long after the groups that belonged to it disbanded in 1932 It consisted of politicians composers musicologists performers and educators who were united by their desire to create a dictatorship of the proletariat in musical life and develop musical forms that responded to the needs of their new society Based largely on primary and contemporary secondary sources this book charts the history of the proletarian music movement examines its beliefs and discusses its work in the fields of musical education amateur musical activities and composition It discusses the origins of important characteristics of Soviet musical life sheds light on a neglected area of early Soviet cultural history examines how the cultural apparatus was mobilised to instil a political ideology and challenges how Soviet musical life of the 1920s has traditionally been viewed

Independent Ukraine Bohdan S. Wynar,2000 Approximately 1700 entries describe monographs scholarly essays and doctoral dissertations published in the Ukraine from 1990 to 1999 The material is arranged in chapters with an introduction outlining developments and important authors and their works

International Books in Print ,1987

The World of Women in Classical Music Anne Gray,2007

Humanities Index ,1998

Canadian Books in Print 2002 Marian Butler,2002-02

Monde de la Musique ,2006 International music studies

The World of Mykola Lysenko Taras Filenko,T. P. Bulat,2001

Chronology of Western Classical Music Charles J. Hall,2002 This work is a complete chronology of classical music covering the musically fruitful period 1751 2000 Entries are arranged by year and contain a wealth of information
