William Arthur Carson

Ulster The Irish Republic:

Ulster and the Irish Republic William Arthur Carson,1957 *Ireland and Partition* N. C. Fleming,James H. Murphy,2021-09-15 *Ireland and Partition Contexts and Consequences* brings together multiple perspectives on this key and timely theme in Irish history from the international dimension to its impact on social and economic questions alongside fresh perspectives on the changing political positions adopted by Irish nationalists Ulster Unionists and British Conservatives It examines the gestation of partition through to its implementation in 1921 as well as the many consequences that followed The chapters written by experts based in Ireland Northern Ireland Great Britain and the United States include new scholars alongside contributions from authorities in their fields Together they consider partition from a variety of often overlooked angles from its local impact on the ground through to its place in the post 1918 international order and diplomatic relations its implications for political violence and security policy and its consequences for sport and economics through to its capacity to divide both nationalism and unionism from within This book places the current questions about the future of partition resulting from Brexit and the centenary of partition 2021 in a fuller perspective It is relevant to those with an interest in Irish History and Irish Studies as well as British History European History and Peace Studies **America**, 1920 The Jesuit review of faith and culture Nov 13 2017 *Ulster and the Irish Republic [by] William A. Wood,2006-05-19 Sectarian murder torture bloody power struggles and racketeering are what for many define their image of the Ulster Defence Association Yet as Northern Ireland s Troubles worsened in 1971 and 1972 it emerged with a mass membership to defend Loyalist areas against the IRA and to uphold the Union with Britain By 1974 it was able to defy the will of an elected government and it went on to formulate political strategies for working class Loyalism Ian S Wood uses his specialist knowledge as well as extensive interviews to recount these events and the ruthless war waged by the UDA on the nationalist community He explores issues such as the UDA s descent into criminality and its relationship with the secret war conducted by Britain s undercover services and he assesses what impact the organisation had on the outcome of Europe s worst political and ethnic conflict between 1945 and the break up of the Soviet Union and Yugoslavia after 1990 [Gleanings and Memoranda](#), 1921 *The Patriot*, 1922
