Save Me a Place at Forest Lawn Lorees Yerby,1963 SAVE ME A PLACE AT FOREST LAWN is a small but perceptive slice of the lives of two old women Clara and Gertrude as they

lunch at a cafeteria and face the uncertain interval of life still remaining Tired lonely and weary of it all they meet daily to discuss their grandchildren to recall their early life and to contemplate death which lurks outside the cafeteria Yet theirs is a resignation touched with wisdom and humor When one of the ladies reveals that she had an affair with the other s husband many years before her friend concedes very casually that she had known about it all along At the time she had concluded that no great harm would come of it and besides it seemed better to protect the friendship which might in later years relieve their final mutual loneliness Dramatists Play Service Appletons' Journal ,1874 **Frank Leslie's Pleasant Hours** ,1886
