Waking From The Dream:

Life As a Waking Dream Diane Kennedy Pike, 2007 What stories do you find yourself telling again and again Which experiences remain most vivid in your memory What situations evoke the most powerful sensations and emotions in you How can you live with greater freedom purpose creativity and power This books helps readers to explore these questions by examining their most vivid life experiences as if they were dreams Through the stories of waking dream group participants the author presents a method for deciphering the hidden messages of real life events If we are in some sense dreaming while we are awake then what we experience says far more about us than it does about the world around us We can discover the power of our own consciousness by giving up the illusion that our lives are happening to us We can learn instead to change our lives by changing ourselves *Waking Dream Therapy* Gerald N. Epstein, 1992-01-12 For the past one hundred years psychotherapy has neglected the inner world of image in favor of words Now Dr Gerald Epstein presents the next evolution in therapy Waking Dream Epstein s approach is brief effective and powerful Waking Dream Therapy uses mental imagery to journey inward The explorer starts from a waking state and via imagination reenters a night dream fragment to explore the dream This inner journey reveals new directions and jolts the person to change The book also contains a history of imagination instructions for the process examples of waking dreams and the meaning of symbols It appeals both to clinicians and to anyone who seeks self transformation Living the Waking Dream Michael Jean Nystrom-Schut, 2005-05-23 TRILOGY BOOK THREE includes three books from my thirty some published and yet to be published works As a writer and philosopher I am blessed to be writing books as a full time occupation knowing that others who would love to do it dont have the luxury In my journeys I dont know if I am getting warmer or colder towards understanding much of anything For me lots of the fun of it is in continuing to discover that which we did not know just yesterday Living the Waking Dream is the title of the book and it comes to you along with two others The Inquisition and Bricks in the Wall All three were written with you the reader and fellow life mate especially in mind If you struggle sometimes wondering what is real and what is in the dream world then maybe you will like the basic premises behind Living the Waking Dream Book One Its a highly personal book written in memoir style If you have religious and spiritual questions and struggle with some of the answers you might find The Inquisition Book Two to be of benefit It is about a man on trial for his life defending his spiritual point of view against the religious world view Many of us have trouble when it comes to conforming to society to their countless laws and cumbersome rules Bricks in the Wall addresses three distinct phases of life that millions of us go through It provides insight into how those processes takes place and can be a real eye opener for you I am in high hopes that this three books in one volume will be good reading On my web site HowISeeTheWorld.com I contemplate questions and answers that continue to trouble humans for all these years Please come and see me at the site *The Waking Dream* Grace Hakopian, 2021-07-27 We re in a waking dream We are the eternal team This is a book of poetry poured from my soul Guided through love And this life s
