Recreational Open Space Priorities National Capital Regional Planning Council (U.S.),1966 The Preservation of Open Spaces Robert Hunter,1902 *Colonial Space* J.K. Noyes,2012-10-12 First Published in 1992 This book is about space of a colony and how it was produced It began as a study of the literature of the German colony of South West Africa between the years 1884 and 1915 The author s aim is to demonstrate the active role which literature had played in structuring the experience of the colony If it could be shown that literature not only describes but also helps to structure the forms of experience then it would follow that it also plays an important role in structuring the experience of colonization and hence the form of the colony itself From the outset therefore the study was concerned with a number of issues centering around colonization representation experience and social form where spatiality is the concept which allows us to understand how these various aspects of colonialism interrelate *Living Simply* Joanne Heim,2010-05-19 Quality Over Quantity Means a Great Life Whew You can multitask like a pro you prove it every day But while you re used to being pulled in multiple directions that doesn t mean you like it You yearn for something more not on your to do list but in the heart of daily living Now Living Simply shows you how to make this ideal life your real life today Joanne Heim s refreshing perspective and pointed guidance address specific areas you d like to transform from family and friendships to meals and celebrations This book responds to the longings of your heart not with pat answers but with practical solutions Never have such simple changes yielded such sweeping results Errands to run Friends to meet Laundry to fold Dinner to cook Messages to check Calls to make Gas tank to fill Lists to do Notes to self Bills to pay Dog to walk Appointments to make Schedules to keep Lunches to pack Party to plan Enjoy true abundance This is the book I wanted to write but was too busy simplifying my life I laughed out loud and am provoked to action Well done Joanne Lisa Ryan If you find yourself living a full life rather than simply living life to the fullest this book is for you Lisa Whelchel Story Behind the Book Simplicity is not just about cooking a month s worth of meals in one day or learning how to speed clean your kitchen says Joanne Heim Women long for a better quality of life but we wonder just how to get it In Living Simply I ponder what it takes to slow down and downsize while living in a culture that supersizes everything from french fries to SUVs I want more meaning and less stuff and simplicity is a means to a better quality of life Choosing this isn t about turning my back on the world or lowering my expectations but about making wise choices and finding the abundant life promised by Jesus **Indian Engineering** Patrick Doyle,1910
