Wild Dads:

Wild Dads! Ginjer L. Clarke,2002 From sea horses to prairie dogs to gorillas animal babies have dads that take care of them Male sea horses give birth Male penguins keep their eggs safe and warm under their bellies This nonfiction Pictureback details the methods in which fathers take care of their young **Wild Dads!** Ginjer L Clarke,2002-04-23 Detailing the methods in which fathers take care of their young this nonfiction picture book reveals how animals from sea horses to prairie dogs to gorillas take care of their young Illustrations **Wild Fathers** Erna Walraven,2021-09-06 Wild animal fathers are often seen merely as sperm donors with little contribution or influence on family affairs This is indeed the case in plenty of species but many other wild animal dads have evolved to be significant and in some instances essential contributors to offspring survival This book takes a close look at the role of animal dads in nature and what that may say about fatherhood in humans giving insights into truly fascinating paternal behaviour in wild animals ranging from seahorses to monkeys and ostriches to penguins Fatherhood is an oft neglected subject compared to motherhood yet many animal societies have evolved a major role for dads beyond the donation of sperm There are myriad ways animals can become dads involving different courtships styles to attract a female and mating systems from polygamy to monogamy and polyandry Natural selection and mate choice also influence the potential of becoming a dad When fatherhood is achieved what is the role of pair bonding fidelity and male role models These topics are explored with a wink to our own rituals and societal norms **Where the Wild Dads Went** Katie Blackburn,2017-05-02 The night Dad had a few cheeky ones after work forgot the milk and tripped over the rubbish Mum called him A Wild Thing and left him to it for the rest of the evening In this hilarious touching homage to Maurice Sendak s *Where the Wild Things Are* a tired and emotional dad finds himself drifting off to the place where the Wild Dads went Now party like real men he said And there was never a manliness like it In a riot of headbanging air guitar and table football he finds himself at the centre of a great escape but pretty soon he begins to miss the place he left behind Lovingly illustrated by the award winning Sholto Walker this little book is the perfect gift for new dads or any parent who s ever wanted to run away from it all *Wild About Dads* Diana Murray,2020-05-05 See lions snuggle on the savanna and groundhogs play on the prairie in Diana Murray s *Wild About Dads* a heartwarming picture book that celebrates dads of all kinds featuring illustrations by Amber Alvarez Dads can help you reach up high and help to keep you warm and dry Dads are strong dads are brave but sometimes dads could use a shave Everyone loves dads humans lions frogs prairie dogs and even pelicans See all these animals snuggle their little ones in this sweet rhyming picture book that celebrates fatherhood in its many forms Perfect for Father s Day and showing dads how much they mean to you every day of the year An Imprint Book **Daughters Gone Wild, Dads Gone Crazy** Charles Stone,Heather Stone,2005-04 First hand experience between a father and a rebellious daughter and the steps they took to make the relationship better Provided by publisher **Father Time** Sarah Blaffer Hrdy,2026-02-17 A sweeping account of male nurturing explaining how and why men are biologically

transformed when they care for babies It has long seemed self evident that women care for babies and men do other things Hasn t it always been so When evolutionary science came along it rubber stamped this venerable division of labor mammalian males evolved to compete for status and mates while females were purpose built to gestate suckle and otherwise nurture the victors offspring But come the twenty first century increasing numbers of men are tending babies sometimes right from birth How can this be happening Puzzled and dazzled by the tender expertise of new fathers around the world several in her own family celebrated evolutionary anthropologist and primatologist Sarah Blaffer Hrdy set out to trace the deep history of male nurturing and explain a surprising departure from everything she had assumed to be normal In *Father Time* Hrdy draws on a wealth of research to argue that this ongoing transformation in men is not only cultural but profoundly biological Men in prolonged intimate contact with babies exhibit responses nearly identical to those in the bodies and brains of mothers They develop caring potential few realized men possessed In her quest to explain how men came to nurture babies Hrdy travels back through millions of years of human primate and mammalian evolution then back further still to the earliest vertebrates all while taking into account recent economic and social trends and technological innovations and incorporating new findings from neuroscience genetics endocrinology and more The result is a masterful synthesis of evolutionary and historical perspectives that expands our understanding of what it means to be a man and what the implications might be for society and our species

Meaningful Days Ryan J Weber, 2016-02-12 Meaningless Meaningless says the Teacher Utterly meaningless Everything is meaningless Ecclesiastes 1 2 We do not need a rebuttal to the Teacher s comment about everyday life life under the sun but we do need the proper perspective to understand his plea Everything we seek and achieve and possess is indeed meaningless without a heart and mind set on Jesus Christ *Meaningful Days* is a source for developing that intricate yet simple heart and mind set It offers encouragement to stop and consider God s wonders and Word in all aspects of life to have a wholly Christian worldview For when the Bible is our lens for viewing life s norms the meaningless ness of them fully transforms we see our ordinary everyday life under the sun for what it truly is the prelude in our extraordinary exultant eternal life in the Son Each script in this *Meaningful* series begins with a historic event or holiday but moves thoughts beyond the common trivial and blas The goal is to both entertain and challenge a reader believer of any stripe and those who sow effort will reap fruits that are ripe If you don t accept this challenge so be it it s your life to live but the rewards of discipleship far outweigh the meaningless alternative Who is wise He will realize these things Who is discerning He will understand them The ways of the LORD are right the righteous walk in them but the rebellious stumble in them Hosea 14 9
