## **Wilde Three Plays:**

*Oscar Wilde: Three Plays for Children* Oscar Wilde, 2012-06-18 Three of Wilde's short stories adapted into enchanting plays for young children. The Selfish Giant chases away spring and summer leaving the garden in a permanent winter. Only when the giant realises his selfishness and opens his garden to the local children does the summer return bringing with it warmth, brightness and joy. The people of the town celebrate the unveiling of their new statue of The Happy Prince. But all is not as it seems with this new golden statue. In his desire to help the poor and suffering in the town the Prince persuades a migrating swallow to assist him and a timeless tale of love and kindness is born. What makes a good friend? Little Hans's best friend is Hugh the Miller but while Hans is happy to share all the lovely flowers and fruit from his garden Hugh isn't quite so generous with his own things. Join three lively characters in *The Devoted Friend* as they explore the ups and downs of friendship in this new play for the very young. *The Devoted Friend* opened at the Sherman Theatre Cardiff throughout November and December 2007. *The Selfish Giant* and *The Happy Prince* were staged to great acclaim during Christmas 2005 and 2006 respectively.

**Oscar Wilde's Society Plays** Michael Y. Bennett, 2016-01-12 As the first collection of essays about Oscar Wilde's comedies, the contributors re-evaluate Oscar Wilde's society plays as comedies of manners to see whether this is actually an apt way to read Wilde's most emblematic plays. Focusing on both the context and the texts, the collection locates Wilde both in his social and literary contexts.

**Gross Indecency** Moisés Kaufman, 1999 THE STORY In early 1895 the Marquess of Queensberry, the father of Wilde's young lover Lord Alfred Douglas, left a card at Wilde's club bearing the phrase "posing sodomite". Wilde sued the Marquess for criminal libel. The defense denounced Wilde.

**Plays of the 19th and 20th Centuries**, 1892 [Subversion of Victorian Gender Roles in Oscar Wilde's Selected Plays](#) Başak Çün, 2023-12-15 This book elucidates how the late Victorian author, playwright and artist Oscar Wilde both mirrors and subverts the artificial gender roles of Victorian society in *Lady Windermere's Fan*, *An Ideal Husband* and *The Importance of Being Earnest*, eventually introducing morally tangled definitions of womanhood and manhood. Apart from the common literature concerning Wilde's homosexual identity, it examines the invalidation of morality through a specific reading of the two established genders and hence brings in a particular dimension. Wilde destroys all moral balances while creating a new perception where no strict borders exist to separate the proper gender traits from the improper. The book is a reference source for undergraduate and graduate students, academics and anyone interested in Wildean studies and the moral codes of Victorian society.
