The Children Of Sanchez:

The Children of Sanchez Oscar Lewis, 2011-11-29 A pioneering work from a visionary anthropologist The Children of Sanchez is hailed around the world as a watershed achievement in the study of poverty a uniquely intimate investigation as poignant today as when it was first published It is the epic story of the Sanchez family told entirely by its members Jesus the 50 year old patriarch and his four adult children as their lives unfold in the Mexico City slum they call home Weaving together their extraordinary personal narratives Oscar Lewis creates a sympathetic but ultimately tragic portrait that is at once harrowing and humane mystifying and moving An invaluable document full of verve and pathos The Children of Sanchez reads like the best of fiction with the added impact that it is all undeniably true
