North Side Story Frank W. Pandozzi,2003 They were called the Back Alley Boys and best define the North Side of Syracuse New York during the 50s and 60s Although not as legendary as the Dead End Kids portrayed in the movies of the 1930s they had their own flare for drama But North Side story is not just a story about growing up on the North Side in the 50s and 60s It is also a story of a changing neighborhood Names like Stretch Axle Scams and Boogers are now gone Today the North Side residents have names like Cuong Danh and Ai Just as the immigrant grandparents of the Back Alley Boys had once struggled to come to this country so did the Vietnamese boatpeople North Side story is their story as well
