Crime and Madness in Modern Austria Rebecca S. Thomas,2021-02-03 This collection of essays explores the changing history rhetoric politics and representation of crime and madness in modern Austria From the emergence of Viennese modernism to the post modern moment the myths metaphors and realities of crime and madness have unfolded in the shadow of larger cultural questions regarding cultural norms gender war and national identity Historically based contributions illuminate such diverse cultural realities as the evolution of psychiatry as medical practice asylum practices in the early twentieth century and Austrian participation in and responses to terror and war crimes From these investigations proceeds the clear insight that cultural responses to crime and madness are often steeped in mythmaking as much as objective policy and practice Conversely literary and metaphorical representations of crime and madness reveal attitudes and cultural realities about the Austrian society that produced them and which they reflect Specialists from the fields of Austrian history literature and culture studies have collaborated to produce this truly interdisciplinary volume which responses to crime and madness are often steeped in mythmaking as much as objective policy and practice Conversely literary and metaphorical representations of crime and madness reveal attitudes and cultural realities about the Austrian society that produced them and which they reflect

The Second Sword: A Tale from the Merry Month of May, and My Day in the Other Land: A Tale of Demons Peter Handke,2025-02-04 Two novellas by Peter Handke his first works to be published since he won the 2019 Nobel Prize in Literature *The Second Sword* and *My Day in the Other Land* are two novellas by the 2019 Nobel laureate Peter Handke The first picks up the story where Handke's last work of fiction *The Fruit Thief* described in *The New York Times* as an experience of unadulterated literature left off Here a man has returned to his home in the suburbs of Paris only to soon set out again Why We learn over the course

of a story redolent of Handke's harrowing *A Sorrow Beyond Dreams* that he is seeking to avenge his mother who has been unjustly denounced in the pages of a newspaper. *The Second Sword* is a suspenseful work of self-examination. Will the narrator's journey end in him throwing down the gauntlet? *My Day in the Other Land* is the first work written by Handke after he was awarded the Nobel Prize. Evoking imagery from the Bible and classical mythology, it portrays a man who has been possessed by demons, causing him to rage endlessly against the inhabitants of his rural village. Aided by his sister, he embarks on a journey to a lake on whose opposite shore lies the other land. What ensues is an exorcism of sorts and one of Handke's most evocative and original endings. Together, *The Second Sword* and *My Day in the Other Land* are essential new entries in a body of work like no other.

Taking as its starting point the diagnosis that events such as the pandemic, the ecological crisis, and the increasingly volatile international situation have made our relationship to the world problematic, the book aims to survey the ways in which this new situation can be productively theorized. Its three parts focus on discourses of the loss of the world, attempts at resistance to this loss, and regaining the common world and discussions of matter as the stuff of the world.
